Local Lads Part of the Triabunna Junior Football Club

The undefeated under 12s

The season has kicked off, and the boys and girls are training hard and giving it their all on game day.

Under 12's have started the season on the right foot yet to be defeated, after six games. Two of our Swansea lads are part of the team, Dylan Golder and Dylan Jones.

Under 8's skill and ability is really starting to grow with a great concept of the game. We have one Swansea boy as part of the team, Liam Quinn.

Auskick kids are braving the cold and attending on a Thursday night at Triabunna, and putting their newly learnt skills to the test on home games by having a go.

The coaches, committee, parents and community members are what make these clubs happen. Well done to all that are getting out there and giving it a go so these kids can play football.

This weekend's games were Triabunna Under 8's at Triabunna vs Richmond White, a great game with skill and team work coming together brilliantly, with this team of kids. Triabunna under 12's won at Triabunna vs Richmond please see back page for scores.

Auskick kids were out in full force for their game, even the frost didn't keep them away!

Another home game this weekend at Triabunna, . Auskickers will kick off at 10.00. Under 8's kick off at 10.45 against Lindisfarne Diggers, Under 12's kick off at 12.00 against Dodges Ferry *Melissa Quinn Secretary TJFC*

Letters to the Editor
Councillor Britt Steiner

Dear Editor, congratulations to Cr Britt Steiner for her frank comments about her perceptions concerning the behaviour of some Councillors around the Board table.. However, one becomes rather weary of vague, non-specific accusations of prejudice. If an elitist culture does exist, I would like to see those persons publicly named. How are we, the ratepayers, to judge the accuracy of personal opinion? How do we know that our worthy Mayor Michael Kent, has no part in this alleged conspiracy to pervert the course of good local governance? May Glamorgan 'fair' well, & fare well! On a level playing field. *Pat Crawshaw*

Dear Editor, as a business owner in Swansea, I read with dismay and some relief the letter to the editor from Councillor Britt Steiner to the Great Oyster Bay Community News. I state "relief" as those of us who have any interest in seeing the East Coast thrive and prosper would have heard the rumours circulating throughout the region regarding the dysfunctional council. to have it verified by a councillor made taking some action all the more imperative.

Surely the question must be: "Why would a person stand for election for local government to represent the community and hopefully make a difference, when in reality only do so to ensure personal vendettas and agendas can be delivered in an open and very public forum?" I voted to ensure we had a cohesive council whose interest would best serve us, not tear us apart and put us on the road to amalgamation. Is this the behaviour of selfless adults or indulgent children?

The biggest question in local government currently centres on the probable amalgamations. Most thinking members of the community realise it is only a case of when, not if, given the costs of managing so many local government regions. Why would GSBC councillors want to take the lead in handing our municipality over to the state when we have previously been in the forefront in resource sharing until it was voted down by the current council? Certainly does not seem to make sense to take such a backward step.

I commend Britt on her bravery and obvious commitment to the role she has undertaken- to represent us to the best of her ability and as part of a team, working with Management and allowing Management to fulfil the roles they were employed to do. *Bob Moore Swansea Service Centre.*

Dear Editor I have a good news for older Swansea walkers like me. A footpath has been built!!!! Yes a concrete footpath I can actually walk on with safety . I am sick and tired of walking around this town in either the gutter or the road.. The signs tell me to " use the other footpath" , what other footpath??? With all the building and other activities around this end of town it is very difficult to find anywhere safe to walk. Could the council please continue their good works and make some more level and safe walking paths. I will be christening the new footpath with a glass of bubbly and look forward to further paths being built. *Deirdre Monk*
