## SWANSEA CAR & BIKE SHOW

Sunday saw the running of the Swansea Car & Bike Show.

The event which had been originally planned to be held in late 2022 was postponed to January 2023 due to the prolonged period of rain at the time.

The event was held at the Swansea sports ground and although the event was once again marred by bad weather it drew a large crowd of car and bike fans. There was a substantial number of classic and vintage vehicles both four and two wheeled on display.

Numerous stalls distributing information and selling items of food etc were present to serve and entertain the crowds. The event culminated with the mandatory raffle of which there were numerous prizes given.

The event was a great success according to organisers and plans for the event to be repeated next year during the Australia Day weekend are being considered.

## ARTICLES of INTEREST

### POP UP BOOK STALL (PUBS) UPDATE

The Pop Up Book Stall had a most successful 2022 raising a record amount of money since beginning over seven years ago.

PUBS continue to provide a limited number of grants to assist community organisations and activities which last year included:

- Maria Voices - musical equipment etc.
- May Shaw Health Centre – money towards purchase of beach access wheel chairs
- Orford, Swansea and Triabunna Schools – School Colour Run assistance towards transport and

payment of barbecue costs  
Spring Bay Maritime and Discovery Centre (Men's Shed) – money to assist with purchase of stove  
Spring Bay Suicide Network – money for purchase of personal alarms for 'at risk' members of the community  
Spring Bay Volunteer Ambulance Group – money towards purchase of mannequin for training of volunteers in CPR

Over the years our reputation and success has spread not only within our community and Tasmania but to Mainland states.

Over the next three months we are undertaking a survey of postcodes. So far in January we have recorded visitors from every state, especially Queensland, and interestingly, visitors from as far afield as Italy, England, Ireland and Canada. Comments are very favourable with the majority of customers surprised at the number, quality, organisation and variety of books, the overall appearance (with the decorative touch), not to mention the prices. The Swansea community will be aware that PUBS now have a stall at the monthly Swansea Market.

The committee remain indebted to the Caccavo family for continuing to allow free use of the present site. Thanks must also go to the dedicated and enthusiastic volunteers, the hard working committee and, of course, all the wonderful customers who continue to support our endeavours through the purchase and donation of books.

Current opening hours can be found in the Great Oyster Bay Newsletter or Facebook: @PopUpBookStall

Until the end of February PUBS is open daily from 10.30am -3pm.

Enquiries:

## SALVOS THANKS SWANSEA

We are writing to sincerely thank the Swansea community for its generous donations of food, toys and monetary gifts to The Salvation Army East Coast Mobile Mission which enabled us to help those doing it tough over the Christmas period.

The \$1495 donated enabled The Salvation Army to purchase food from Morris' Store, which was packed into hampers with the help of students from Swansea Primary School, and then distributed as needed.

We feel blessed to live in a community which is so supportive and generous, and a community where we can all flourish and thrive.

Thank you once again - we are so grateful.

**MAYORAL MOMENTS FOR JANUARY –**

The past month has been incredibly busy for the newly elected Council. The learning curve remains very high even for returning Councillors but I am pleased to report that every councillor has grasped the opportunity given them by the electors of our wonderful area to represent the community in the Council Chamber.

The first Council meeting for 2023 provided an opportunity to support Rural Alive and Well and the Bicheno Surf Life Saving Club under the Community Small Grants Program. Both organisations provide a valuable service to our communities.

Staff have been progressively working through various Asset Management Plans (AMP) that will drive our budget discussions. The Hydraulic Infrastructure AMP presented at this meeting was deferred as some Councillors required further information. The Hydraulic Infrastructure AMP will now be further workshopped next month to enable Council to get some clarity around the changes to the hydraulic infrastructure asset value and future costs.

A review of the 2022/23 budget was presented to this meeting due to some additional income received and Council's monitoring of our financial situation. Staff are preparing a communication strategy to provide community input into the 2023/24 budget discussions. It is important for Council to learn what the community's vision is for the upcoming year so please take every opportunity to participate in the consultation process that will commence in early April.

Three development applications were presented (DA's) that required a council decision as opposed to planning staff making the decision due to the number of representations received. Council's delegation to planning staff allows them to formally approve (or refuse) a DA when 2 or less representations are received.

Two of the development applications were approved with conditions and one was refused. It should be noted that the Swansea development at 10c Franklin Street that was refused was accepted by a majority of Councillors as an exciting project for the area except for the height and bulk of the building and the overall effect on the amenity of the town. It was agreed that the assessment that was done against the provisions of the planning scheme was appropriate and as such a refusal motion was the only option. The developer has indicated a willingness to work with Council and mediate on the proposal with planning staff.

Don't forget that Councillors are always open to receiving communication from ratepayers and can be reached by email on [council@freycinet.tas.gov.au](mailto:council@freycinet.tas.gov.au) Councillors individual contact details are available on the website [www.gsbc.tas.gov.au](http://www.gsbc.tas.gov.au)

Till next time,

Clr Cheryl Arnol  
Mayor
