LOCAL GOVERNMENT WELCOMES LABOR'S COMMITMENT TO SUPPORTING THE SECTOR

On behalf of the state's 29 councils, the Local Government Association of Tasmania (LGAT) welcomes the announcement today from the Tasmanian Labor Party on supporting local government through a number of low-cost and high-impact policies.

LGAT President and Break O'Day Council mayor Mick Tucker said "for many years councils have been asking for a fairer share of the Heavy Vehicle Motor Tax. Our ask is a simple one, that the State Government distributes the revenue collected among all road managers on the same basis it is charged – on-road use. Today's announcement by the Labor Party goes a long way to restoring this balance."

"There has been much discussion during this campaign on housing. Our sector believes one of the critical missing pieces to support more of the community into much needed housing is to remove the first-mover disadvantage for developers. These schemes, which every other state has, provide certainty in cost and delivery for everyone and avoid the developer stand-offs that councils are currently seeing," Mayor Tucker said.

"Like most other sectors, local government is having difficulty securing enough people and the right mix of skills required to support local service provision. This affects not only local government's productivity but also the growth of local areas. We welcome today's commitment to work with the sector on a comprehensive workforce development program so

we can equip our councils with the right people to support local communities," Mayor Tucker said.

ARE YOU PREPARED?

Well we may believe that summer has passed and the threat of fire has passed us.

With the current conditions of dry and no rain on the radar less than favourable for most things it is not the time to become complacent about the potential risk for fires to take off in the landscape.

It's usually the time to get out and tidy up the vegetation that has gone berserk over the summer months. Not to discourage this we are on the side of caution and ask that if embarking on such a tidy up extreme caution is used.

Ensure that you have a water source nearby and ready to go if you plan to slash or mow, if using other tools ensure adequate measures are taken to lessen the chance of fire starting.

Don't forget that FIRE PERMITS are STILL REQUIRED to burn off.

Don't just think about fire, we don't know what the weather has to offer us in the coming months. Plan to be prepared if and when the rains do finally come, clean out drains, gutters and the like. Get prepared NOW.

Easter is nearly upon us so when was the last time you checked over your boat and made sure all your safety devices are in working order.

Likewise with your car, do the once around check, what's your tyres looking like, when was the last service, are you prepared for a long journey, have you planned for some breaks.

While we all prepare to relax and enjoy the upcoming Easter break spare a thought for our amazing, dedicated local volunteers on call and ready to assist our community whenever called upon.

Why not consider joining one of these awesome teams and help support your community?

We can never have enough emergency services volunteers to help.

Believe it or not there are many days of the week when our volunteers are stretched very thin and have to juggle work commitments just to be able to respond.

So next time you see one of our volunteers either during an incident, at training or just passing by spare a thought for what they might have just given up to be there supporting their community.

Stay safe, relax and enjoy what this beautiful part of the country has to offer.

For we live in such an amazing part of the world.

NIKOTEINI AN ECCAI EVENT (IN ASSOCIATION WITH THE GREEK FRINGE)

Last Friday 8th March marked a unique visit to Swansea of two wonderful Greek musicians from Istanbul, Turkey;

Niko Papageorgiou on the lavta (lute) and Fonteini Kakkala playing the kanonaki (qanun, zither).

The Courthouse proved (again) to be the perfect venue for such a performance and there wasn't an empty seat!

The music was a new experience for most of us, but the exquisite sounds and the talent of the performers took us all on a magic carpet ride through the Eastern Mediterranean

Thanks to Noel Stanley and Neal McDermott for looking after the refreshments and to John Fletcher and David Lathwell for setting up the stage (quite a challenging task)

The response of those lucky enough to be there was universally enthusiastic and appreciative, and the musicians (who were delightful people, very talented and generous) thanked everyone for being such a great audience. We thank Luke Plumb, who has been a frequent visitor for eccai, and Christina from the Greek Fringe for bringing them to Swansea and giving us this special opportunity. It was good to see so many new faces in the audience.

(Watch this space for the next exciting concert!)

Jennifer Lathwell

Eccai/Gobrarts/ From France to Freycinet acknowledge the considerable contribution made by Viv Lewis at Bear Cottage Crafts over the years and mourn her passing. We offer sincere condolences to her family.
