## FIRE ENGULFS TRAILER, BLOCKS HIGHWAY

Friday, 8th April, mid morning saw the Tasman Highway blocked between Cathcart and Francis Streets for a short time as a box trailer caught fire.

quick succession. The local fire brigade quickly extinguished the fire while police stopped traffic.

The fire produced large amounts of thick smoke and flames from the burning contents. The nature of the contents and how the fire started is unknown at this time.

Local Government Association of Tasmania (LGAT) welcomes the state's new Liberal Party leadership team.

LGAT President, West Tamar Mayor and Vice President of the Australian Local Government Association Christina Holmdahl congratulated Jeremy Rockliff on his appointment as the state's 47th Premier.

"Mr Rockliff is an exemplar politician, he has proven to be a solid leader and genuine advocate for the people of Tasmania," Mayor Holmdahl said.

The Association also extends its congratulations to the Minister for Local Government, Michael Ferguson, on his appointment as the state's new Deputy Premier, who demonstrated a strong understanding of our sector in his short time as our Minister.

We thank outgoing Premier Peter Gutwein for all his work in supporting the local government sector in Tasmania.

"The sector looks forward to finding out who the local government minister will be and continuing our work together, on supporting local government and the communities they represent," Mayor Holmdahl said.

The driver had time and foresight to disconnect the trailer from his vehicle and then move it a safe distance as the trailer became fully engulfed.

## ARTICLES of INTEREST

### NEW PROJECTS TO PROTECT NATIVE SPECIES

Endangered flora and fauna are set to benefit from over \$650,000 in funding for four projects across the Lyons electorate thanks to the Morrison Government's Threatened Species Strategy Action Plan.

Liberal Senator for Tasmania, Claire Chandler said each of the four projects would target species recovery and habitat restoration.

"Four important projects spanning the Lyons electorate have been granted over \$650,000 through the Morrison Government's Environment Restoration Fund to preserve and protect native species," Senator Chandler said.

"Projects range from invasive urchin removal and monitoring efforts to complement existing strategies to restore the habitat of the critically endangered Red handfish, to improved site management of the Graveside Leek-orchid, found only in one location in the Midlands.

"These activities are community led and aim to improve the longevity of our native wildlife and natural environments."

Projects to receive funding include:

- 246,000 for Improving the long-term trajectory of the endangered Swan galaxias in eastern Tasmania.
- \$90,006 to enhance the habitat for New Holland Mouse at Friendly Beaches Reserve.

pic R Schahinger

- \$73,060 for the Prasophyllum taphanx (graveside leek orchid) Recovery Project.

pic Antonia Cooper

- \$247,088 for Restoring habitat for critically endangered Red handfish in south-eastern Tasmania. Minister for the Environment Sussan Ley said conservation and restoration projects across Australia have been allocated a share of \$12 million funding through the \$100 million Environment Restoration Fund.

"The successful projects span all states and territories and will deliver practical action on the ground to protect more than 60 priority threatened species," Minister Ley said.

"This includes action to restore and create important habitat, captive breeding programs to boost populations as well as new feral cat and fox management initiatives to reduce pressures from invasive predators.

"Projects announced today will also drive forward action under the Government's recently announced Threatened Species Strategy Action Plan, which sets a pathway to coordinate practical conservation efforts for our threatened species."

## Calling all Electric or electric-hybrid vehicles.

The Village at Triabunna will be hosting our second Electric-hybrid Vehicle Show this coming Sunday 17th April at The Village, 20 Melbourne Street Triabunna.

This Show is for electric/hybrid cars, people movers, bicycles, motorbikes, scooters, and commercial vehicles, to focus on the current situation of renewables and transport. In addition Triabunna is on the Great Eastern Drive and so a nice drive up from Hobart or down from Launceston.

Local vehicle distributors and other interested parties in Tasmania will be joining the day. It is also our monthly Market Day at The Village, with stalls and produce sellers, and Village activities including Art & Craft Exhibitions, an added attraction to participants and vehicle owners.
