LOCAL GOVERNMENT ELECTION CHANGES

The Local Government Association of Tasmania (LGAT) welcomes the Government's recognition of the importance of our sector with its proposed changes to the local government elections later this year.

However, LGAT President, Australian Local Government Association Vice President and West Tamar Mayor Christina Holmdahl said the Government should have consulted with the sector before announcing these changes.

"We have not recently considered the issue of compulsory voting in local government elections, and while the proposal may increase participation in local democracy; this change comes with some risks and importantly councils have not had sufficient time to consider the implications of such significant change," she said.

The sector supports the proposed changes to simplify the ballot papers to only require marking 1 to 5 preferences.

"This is something local government has been advocating for and will go a long way to reducing the number of informal votes," Mayor Holmdahl said.

"We look forward to working with the Government to encourage people from diverse backgrounds, genders, abilities and ages to represent their community in the upcoming local government elections."

SIGNS we see them everywhere we look. Signs warning us of road speeds, dangerous conditions, to slow down ...you know the ones. Its strange how with all these right in front of our eyes that we still see people driving around the community on their mobile phones, speeding, not driving to the conditions; the list of distractions is endless. Your driving not only affects you but all other road users and puts loved ones in danger. PLEASE drive to the conditions and obey the rules.

Now that winter has arrived with vengeance it really is the time to check your heating, is the wood heater operating properly, has the flu been cleaned, are the cords on electrical heaters in good condition, power boards are not overloaded. Next time you make the bed check your Electric blanket, check for frayed cords and possible burn marks. Don't forget to keep combustibles at least a metre from the heater.

Have you cleaned your gutters etc lately, is the area around your home free of clutter both for fire safety and to lessen objects that can become airborne in strong winds? Before it rains again have you fixed any niggling leaks, if you have had water enter your property in recent rains have you determined where it has come in and attempted to address the issue. Don't forget its never to early to get prepared.

With the Flu season upon us are you prepared HAVE YOU HAD YOUR FLU SHOT? It's a great opportunity to protect yourself from the severe effects. Whilst thinking of the flu shot have you had all your Covid shots including a booster. Winter is cold why not look after your health and enjoy the cooler months rather than suffering through them.

It really is a great time of the year, the cooler days. The opportunity to stay indoors in front of the heater, snuggled up in your favourite blanky, binge watching Netflix or maybe indulging in a good book.

Now matter what you do make sure you do it safely. Drive safe, stay safe around the home, Keep healthy. It's a great opportunity to do the little things that Well just need doing.

LETTERS TO THE EDITORIAL TEAM

COUNCIL TO CONSULT RATEPAYERS?

Council are holding a "Community Connect" meeting here in Swansea (June 9th) to "consult" with ratepayers about the upcoming rates resolution for the new financial year. Coles Bay and Bicheno June 8th.

They held a Community Connect session here in May but could not/would not tell us anything about the quantum of the new rates. They are blaming the situation on the shrinking State Grants Funding (same as last year's excuse) and are chasing a missing million dollars (again).

Council has adopted a new Community Consultation Framework recently. It names three print medias (Mercury, Examiner, East Coast View) as its communica-

tion channel. I have pointed out to them that GOBN is the most supported print media but it has not been included.....

I feel Council are trying NOT to consult or communicate with us about the rates and doing the bare minimum to comply with the Govt. oversight.

IF council does not approach you to advertise the upcoming Community Connect session could I request you to run a heads up add in next weeks edition to let all community know there is a very important meeting happening.

You might notice council is running the session at night time (Swansea) in a trial to increase public attendance. You might also notice their time chosen is right on everyone's dinner timestupid move or very cunning ?

Regards Greg Luck, Swansea

Here is the data from the GSBC website :

Council would like to invite you to the below Community Connect sessions, these sessions will be held with Councillors and Senior Management at the following locations:

WEDNESDAY 8 JUNE 2022:

TIME: 3:00PM – 4:30PM
LOCATION: COLES BAY TOWN HALL

TIME: 6:00PM – 7:30PM
LOCATION: BICHENO TOWN HALL

THURSDAY 9 JUNE 2022:

TIME: 10:00AM – 11:30AM
LOCATION: TRIABUNNA TOWN HALL

TIME: 6:00PM – 7:30PM
LOCATION: SWANSEA TOWN HALL

Community Connect will enable Council to inform the community of important and relevant matters within the Glamorgan Spring Bay municipal area. There will also be an opportunity for the community to ask questions of Council to facilitate improved understanding of issues. To manage the time efficiently for all, and keep the session focused strategically, routine complaints/requests (e.g., roads / potholes) should be forwarded to Council's Customer request system rather than be raised at these sessions.

Community participation in direct conversations with Council contributes to more informed decision making. We are very pleased to offer this opportunity to anyone who wants to come along, have a tea/coffee and an informal catch up.

Following community feedback from previous Community Connect sessions, the format for the next sessions will be altered to allow the community more opportunity to communicate and engage with senior management staff and Councillors.

Please note that COVID-19 restrictions current at the time will apply.

We hope to see you there.

Book your flu shot today. Don't let the flu go viral.

You might have forgotten about influenza because it's been lying low for a while. But with everyone out and about again this winter, flu is present and could easily remind you how severe it can be. Keep yourself and your loved ones safe and book your flu shot now.

The flu vaccine is free for those at risk of severe illness including young children, pregnant women, people with chronic conditions, people with disability, those over 65 years and Aboriginal people.

Book now at your GP, pharmacy or community clinic.

Remember the Flu!
Book your flu shot today.

For more information on the flu go to health.tas.gov.au or call 1800 671 738.

Maintain a healthy diet and weight

A healthy diet can reduce your risk of heart disease: eat fruits, vegetables, whole grains and low-fat dairy products, beans, other low-fat sources of protein and certain types of fish.

Weight gain in adulthood leads to high blood pressure, high cholesterol and diabetes. Even a **10% loss in weight can reduce these health risks dramatically.**

Exercise regularly

Getting at least 30 to 60 minutes of exercise per day helps you control your weight and can reduce chances of getting high blood pressure, high cholesterol, diabetes and stress (walking the dog counts!)

Nicotine and other chemicals in tobacco can **damage your heart and blood vessels by narrowing arteries** (atherosclerosis) and increasing your heart rate/blood pressure.

Don't smoke, and limit alcohol consumption

Drinking too much **alcohol** can raise the levels of triglycerides (fat) in your blood and can lead to high blood pressure, heart failure, and stroke. **Men should not consume more than two drinks per day, women no more than one.**

4 STEPS FOR A HEALTHIER HEART

Regular screening can tell you what your numbers are and whether you need to take action. **Adults should have their blood pressure checked at least every two years, and their cholesterol measured at least once every five years, starting at age 20.**

Monitor your blood pressure, cholesterol and blood sugar levels

Health and Aged Care for Living

Interested in volunteering?

We are looking for community members with some free time, to come and share their experiences and expertise with our residents and help them live their best lives.

If this sounds like you, please contact mayshaw@mayshaw.com.au for an application form for volunteering.

Whether you would like to assist with activities, arts and craft, outings, or even bus driving, we'd love to hear from you.

We appreciate every helping hand we can get!
