Craig Johnston

PASSING of LOCAL GOOD SAMARITAN

The President, Committee and Members of the Glamorgan Spring Bay Historical Society wish to acknowledge the passing of our Past President Craig Johnston OAM on Thursday the 4th of August 2022.

Craig was many things an Architect, Farmer, Family man, Lay Preacher, Political Party Member and Office Holder, Councillor, Deputy Mayor and a much valued Citizen of our community.

Along with his wife of 62 years Jennifer, the Johnstons have been generous and philanthropic in financial assistance to many organisations and individuals, I knew of some instances, and since Craigs passing I have heard of many more, and I doubt we will ever know the true scale of their largesse to the community. Always discreet and private, and certainly not seeking recognition for this work, the Johnston's philanthropy was always directed quietly where there was a need. The one thing Craig did give this community that was far more precious than money, was his time, his dedication, interest and effort.

Ours is not the only organisation Craig

was involved in, far from it; there is a very long list of community groups, committees and boards from the Uniting Church to Glamorgan Spring Bay Council and many more than I can state here. Craig's major focus for many years, The May Shaw Health Centre was I think the one organisation, I feel, he felt was his proudest achievement. Fittingly, it was May Shaw and its Staff who cared for him in his last days.

We as a community owe Craig Johnston a great debt for all his work, time and effort, we the Historical society for his work on the team to renovate and create our East Coast Heritage Museum and premises for our archives and society rooms.

It was once said many years ago in an obituary to someone not dissimilar to Craig. "There are many who have made a more prominent name, but few if any who have left a better one behind them"

Noel Stanley
Treasurer – GSBHS Inc.

Craig and his wife Jennifer have resided in the Swansea area for over 55 years. Originally moving from the southern midlands to their property "Brook Lodge", in Cranbrook. After working the farm, they settled in the township of Swansea in the early 1990s. Shortly afterwards Craig was elected to Council and so began his connection to May Shaw as Chair of the Committee of Council which then managed the nursing home.

Craig was pivotal to May Shaw becoming an incorporated association in 2004 allowing it to be run as its own entity.

As a Councillor he was able to see firsthand the issues the community faced in the health arena and to use this to improve health outcomes for the municipality.

Craig was Chairman of the Board from 2004 to 2012. During the latter years of this time May Shaw was affected by a period of financial instability which was turned around through his and Jennifer's dedication and commitment and much hard work. Craig remained on the Board

until November 2020. Prior to his retirement he and Jennifer ensured the history of May Shaw would not be lost and funded the writing of a book "100 years of the May Shaw" which was endorsed by the Board. It is available for purchase through May Shaw direct or online via our website.

Craig became an OAM in 2013 in recognition of his commitment to community and May Shaw. His dedication to May Shaw continues with both he and Jennifer being respected life members, and Craig accepting the role of Patron, May Shaw in 2020.

May Shaw is very proud of our relationship with Craig and Jennifer and thank them most sincerely for their support over 20 years.

From MayShaw website

LOCAL IDENTITY CALLS IT A DAY.

After 18 and a half years I am retiring from the Glamorgan Spring Bay Council and would like to thank the community and ratepayers for their assistance and help during my time running the Swansea Waste Transfer Station and other Council duties.

Roger Stanley.
