## SWANSEA RSL 8 BALL BACK-2- BACK PREMIERS

On Wednesday 14th September Swansea RSL 8 Ball club travelled to Triabunna to play Blue Waters in the East Coast 8 Ball association Grand Final.

Swansea finished on top of the ladder after the Home & Away Season to win the minor premiership, and won the 2nd semi-final to advance straight to the Grand Final.

Swansea began shakily in the final however they rallied and came home to win 5-3 and claim back to back premierships. Some close and a well thought out game by our captain D (speed) Gray made it an exciting night, which preceded a rowdy bus trip home.

The following Sunday, the club's singles doubles championships were contested. D Gray took out the singles with S Pollington runner up. The doubles pair of R Flynn & J Pyke Jnr defeated D Patel & L. Graham to win the doubles competition.

The championships were followed by our B&F vote count. Congratulations to the

winner D. Patel and the runner up R. Flynn.

Most consistent singles player was D. Patel with an 88% winning ratio, whilst the doubles winners were D. Gee 88% and R. Flynn 84%.

Thank you to our Major Sponsor : Bob Moore for his generous donations throughout the year.

Let's make it a threepeat next year.

## LETTERS TO THE EDITORIAL TEAM

**NOW THAT THE GORSE IS IN FULL BLOOM,** it is glaringly obvious which landowners are controlling or eradicating the weed from their properties and those who are ignoring the problem. I fail to understand with agricultural land prices at an all time high, why a land owner would allow vast areas of their valuable land to be swallowed up by this weed thereby rendering the land useless.

Driving north of Swansea to Bicheno has some terrible examples of this neglect. Surely getting onto the problem early before it takes over entire hillsides (perfect example of this is the property next to Devils Corner going north) is the sensible course of action?

Good to see the council dealing with the gorse on the roadsides along Dolphin Sands Road. Could they go further and “encourage” offenders to do something about the gorse on their properties?

Surely it is a case of one year seeding, seven years weeding?

*Mitty Williams*

## CONGRATULATIONS!

Rosny College student Abbey Quinn won the Australian School Based Apprentice Award at the Tasmanian Training Awards.

She undertook a Certificate III in Individ-

ual Support with Australian Employment and Training Solutions (AETS) while at Rosny College.

Abbey was inspired to pursue a career in the health sector, due in part to her own personal health care journey. When in grade 9 at Triabunna District High School Abbey undertook a short work placement at May Shaw Health Centre Inc Swansea and hasn’t looked back. Well done Abbey.

Abbey will finish college this year with her TCE, a Certificate III In individual Support and employment where she is currently completing her traineeship. She has done all this whilst travelling to and from Swansea 3 days a week for the past two years. What an amazing example of dedication and achievement.

Abbey will now travel to Adelaide in November and participate in the Australian Training Awards representing Tasmanian.

## DON'T VOTE FOR GREG LUCK

If you are satisfied with the governance, transparency and accountability of the current Glamorgan Spring Bay Council vote for someone else.

I have spent the last 18 months attempting to question the Council and management of GSBC in order to understand where they received their voter mandate - to make major changes to our rating system. You may have taken part in signing the petitions to Parliament. You may have read about meetings with the Minister of Local Government etc. ? You may have read the many Letters to the Editor in this very paper?

All to no avail, Local Government is a separate sphere of governance – not answerable to anyone and relying on a set of rules from last century ... It looks like the only way to protect our ratepayer rights is to run as a councillor. A “special” thank you to the Council and management for inspiring me to commit to being a part of Local Government. If you had chosen to answer my queries openly, honestly and without veiled threat I would be away happily fishing or camping in our wonderful municipality where I have lived and worked for more than forty years.

Alone I can be no more than a voice in the wilderness so I ask you to consider your votes carefully and elect other similar minded candidates as councillors. The key to the future of GSBC lies with you electing the best Mayor and Deputy Mayor. The Mayor is the only councillor tasked with controlling and managing the General Manager of a Council. Without a strong and experienced Mayor our futures are in the hand of an un-elected individual employee and we, the ratepayers, are powerless to make change.

It is public knowledge that, three of this elections current candidates, voted to enable the rating change last year and although they stated the decision was “difficult” I ask was it necessary ? during a pandemic to make such a major change with no community consultation and with a high degree of secrecy - overturning an extensive democratically selected rating method chosen by us, the ratepayers, in accordance with the Local Government Act 1993.

### VOTE 1 – GREG LUCK FOR CHANGE.

Authorized, Greg Luck P.O Box 760 Swansea, Tas.

FOR GOOD GOVERNANCE, INTEGRITY AND  
COMMUNITY CONSULTATION RE-ELECT  
CHERYL ARNOL AS A GLAMORGAN SPRING  
BAY COUNCILLOR

VOTE 1 CHERYL ARNOL FOR COUNCILLOR

VOTE 1 CHERYL ARNOL FOR MAYOR

## WHEN YOU VOTE!

Even though it is only a council election, an election is an important part of our democratic system and is what makes us stand apart from the authoritarian dictatorships of some other countries.

Consider your vote on what they have done NOT on what they say they will do.

Good luck to all the candidates.
