Issue 43.2017 Year 15

High energy bills?

Now with the Home Energy Bulk Buy you can save heaps on your energy bills.

One of the best ways to cut down on energy bills - and increase your comfort - is to ensure you have good ceiling and underfloor insulation. Ceiling insulation helps you all year round, in terms of comfort levels. In winter, it prevents the heat from escaping as quickly, which keeps you warmer for longer, and means your heaters don't need to work as hard (which saves you money!). A typical house would experience a 6 or 7 degree increase in the overnight ambient temperature during winter when topping up their ceiling insulation.

In summer, ceiling insulation typically decreases daytime temperatures by 5 degrees Celsius because the insulation acts like a heat shield – sort of like holding up a doona in front of a wood heater. The heat cannot penetrate into the house as easily, which keeps you cooler.

Even if you have existing ceiling insulation, it shrinks and moves over time, and gaps form over the years, allowing heat to escape.

That's why southern councils have partnered with Sustainable Living Tasmania to deliver the Home Energy Bulk Buy. This November you can save money with over 25% discount on both Earthwool ceiling insulation and Bradford floor insulation and (LED lighting).

To find out more go to Ecohomeguide.com.au

The biggest of its kind, the Home Energy Bulk Buy will also offer homeowners rooftop solar PV panels and battery systems (in December and January) and efficient hot water systems down the track.

Please contact cynthia@freycinet.tas.gov.au if you need any further information

A Huge Thank You

Members of the Lions Club spent some hours on Thursday, cleaning up the rubbish caused by the gum trees, at the Anglican Cemetery.

The efforts of each and everyone involved is very much appreciated.

We do endeavour to keep the cemetery presentable and the working bee has made a huge improvement.

I'm sure it will be appreciated by the many visitors, who wander through the cemetery, checking on the graves of relatives and the history of others.

Our sincere thanks and appreciation to the Lions Club for a job well done.

Mary Arnol Cemetery Committee.

Just saying....We are doing okay.

But without the support of family and friends we would not have gotten through this.

We would like, from the bottom of our hearts, to thank all our family and friends who have been there for us at this most difficult time.

Words do not seem enough to be able to express our gratitude for the love, kindness, compassion and support we have been shown

In particular we wish to personally thank all those who:

Sent flowers, cards and messages
Contributed to the Bendigo Bank account, to help us have time to grieve
Gave badges, emblems and stickers to decorate our Aiden's silk lined cubby house
Brought their trucks to help convoy our little man to his final resting place
The endless delivery of meals and cakes
Supplies for Matilda
Chocolate for Andrew (Bull)
Horse feed for my horses (Nona)

There have been too many kindnesses to mention and we are lucky to know and have so many amazing people in our lives.

Andrew, Nona and Matilda Barker

In January 2015 Phil Malkin - husband, father and friend to many - lost his courageous battle with Acute Lymphoblastic Leukaemia (ALL). His last wish was for his family - Tach, Charlea and Beau - to raise funds to help find a cure... so Phil's Dive for a Cure was born.

A Family Event, a dive, paddle or swim has been held successfully over the last two years with over \$75,000 being raised and 100% of funds going towards vital research.

The next event, in Waub's Bay, Bicheno is to be held on Sunday, 28th January, 2018 where people can choose to dive, paddle or swim or just come along and support the day, bring the kids, have a sausage, hamburger or coffee, play volleyball or run on the beach. There is also a raffle and silent auction.

Sponsorship packages are also available for businesses wishing to support this cause.

Phil was a Dive Controller in Bicheno for over 15 years and known to many in the area and we would love the opportunity to have a story in Sea Speak in the lead up to the upcoming January, 2018 event.

NOVEMBER @ THE ODEON!

Their finest - Comedy/Drama/Romance (2016) - Rated M
Smart, witty...a top-notch British comedy!

In this charming and funny film, that engages from the outset, a British film crew attempts to boost morale in England during World War II by making a propaganda film after the Blitzkrieg. Bill Nighy is a hoot as a hammy actor whose ego needs constant stroking while Gemma Arterton and Sam Claflin shine in their respective roles as a feisty heroine who finds her calling and a writer looking for structure and meaning. The humour is British - low key but often barbed - and the filmmakers manage to control the tone of the film through many elements of the human experience: from love and art, to death and broken relationships. Bill Nighy is a joy to watch as he provides the bulk of the comedy - he naturally fits into the mould of Ambrose Hilliard, the ego-centric actor. Watch for Helen McCrory, wonderful as Ambrose's new agent, who is every bit his match and Jeremy Irons also appears in a welcome cameo.

Riverstone Olives wins Champion Boutique Extra Virgin Olive Oil at the Sydney Royal Fine Foods Awards

The Sydney Royal Fine Food Awards Presentation evening was held at the Sydney Showground's on 22 September, where it was announced Riverstone Olives from the East Coast of Tasmania were winners of the prestigious CHAMPION Boutique Extra Virgin Olive Oil (EVOO).

In addition to the Champion award, Riverstone Olives also won Gold, two Silvers and a Bronze for the four different EVOO they entered.

Owner, Rina Howard attended the award presentation in Sydney and said she was absolutely delighted with the win. "To think we almost didn't harvest this year! I'm so glad we did! I would like to sincerely thank all of my family and everyone that helped to pick the olives; as we could never have done it without you!"

Riverstone Olives is situated at Cranbrook on Tasmania's East Coast and is surrounded by award winning vineyards.

"Obviously the soil and climate conditions are extremely favourable to growing quality grapes, just as they are for olives" Rina said.

"We have around 500 trees in the grove, growing six different varieties of olives. We don't use any sprays or chemicals and we hand pick all our produce. It's very labour intensive, but very rewarding too".

It's been quite a year of awards for Riverstone Olives. They also received one Silver and two Bronze medals at the Hobart Fine Food Awards and one Silver at the Australian International Olive Association Awards.
