Issue 43.2022

WE HAVE A NEW MAYOR & DEPUTY

Congratulations to Cheryl Arnol & Michael Symonds for being elected Mayor and Deputy Mayor respectively.

Both ran on joint platforms and succeeded in defeating their main competition Robert Forbes Young and Rob Churchill, although both Young & Churchill will remain on council as re-elected councillors.

New councillor members are Neil Edwards, Greg Luck and Carole McQueeney. Greg Luck who was adept at asking council the hard questions will now be asked the hard questions? Looks like Annie Browning has lost her position but is still in the counting.

Full results are in the tables below and further details are available at <https://www.tec.tas.gov.au/local-government/elections->

Comment

When building a new home, please do not consider using white for the roof. We have a new build directly behind our home, on a block of land that we were assured prior to our build, that it would never be subdivided. Now we have an ugly build with a sparkling white roof that makes looking out of our rear windows, a painful and mostly impossible task. And using our back garden, out of the question.

Consider neighbours before building or is that an impossible request in this day and age.

John & Diana

There seems to be a lack of consideration from people in general these days, must be too much rain on the brain?

COUNCILS TO HELP DELIVER ONE MILLION AFFORDABLE HOMES

Local governments have signed up to a landmark Housing Accord between the Commonwealth, state and territory governments, investors, and the residential development, building and construction sector that plans to deliver up to one million affordable homes for Australians.

President Linda Scott said including the Australian Local Government Association as a representative of Australia's 537 councils was recognition of the key role local government plays in facilitating affordable housing.

"A lack of affordable housing is one of the biggest challenges councils and our communities are facing, and we look forward to working with governments, financiers and the housing industry to help facilitate more affordable homes for Australians," Cr Scott said.

"ALGA has also committed to partnering with the Government to develop the National Housing and Homelessness Plan."

Cr Scott also welcomed the Government's new Growing Regions Program and regional Precincts and Partnerships Program, which will include \$1 billion of new funding that local governments can apply for over the next three years.

"Many of our regional communities have been devastated by flooding this year, and some are still recovering from cyclones and fires," said Cr Scott.

"Federal funding to our regions is more important than ever, and these new programs will help councils build stronger, more liveable communities."

"Regional and remote councils have put significant time and resources into developing funding proposals for round six of the Building Better Regions Fund, which has been discontinued."

"Local governments support transparent funding and it is critical the Federal Government ensures all funding to councils is transparent and accountable."

"ALGA will be advocating for both the Growing Regions Program and Precincts and Partnerships Program to be dedicated to local government infrastructure." In response to ALGA's advocacy, tonight's Federal Budget also included the \$250 million expansion of the Local

Roads and Community Infrastructure Program through to 2025-26, and a \$200 million per year Disaster Ready Fund from 2023-24.

"Secured through ALGA's advocacy, this Local Roads and Community Infrastructure Program extension will help councils build and upgrade playgrounds, libraries, cycling paths, and swimming pools right across our nation," said Cr Scott.

"It is critical that this program continues to be allocated to councils on the existing and successful program formula, so that all communities continue to benefit."

"The Disaster Ready Fund will help councils better protect their communities against natural disasters, and as a direct result of ALGA's advocacy this funding is expected to be available from next July."

Cr Scott also welcomed a \$32 million four-year commitment to help local governments improve disability access and build up to 400 new "Changing Places" toilets.

Cr Scott said ALGA's advocacy had also delivered an extra \$100 million in Financial Assistance Grants for councils in this year's Budget, bringing the total for 2022-23 to \$2.92 billion (including \$2.1 billion pre-paid in 2021-22).

"ALGA will continue to advocate for Financial Assistance Grants to local government to be restored to at least one percent of Commonwealth taxation revenue," Cr Scott said.

"Councils collect less than four percent of national taxation, and around one in four are heavily dependent on federal funding,"

"Labor has committed to 'fair increases' to Financial Assistance Grants, and we look forward to working with the Government towards beginning the path back to one percent from next year."

Some additional assistance was supplied by other committee members, but the bulk of the work was by Gary and Peter. A total of 1200+ volunteer hours since June. tourism update

We are delighted to announce that Grace Keath will be joining East Coast Tasmania Tourism as the new CEO from November onwards.

Grace describes herself as a Hospitality and Tourism professional. She has over 15 years' experience in hotel operations, events management, strategic brand and business development, and professional training & coaching. This includes managing large teams and budgets, connecting with stakeholders and reporting to boards and management teams.

Many of you may know Grace already, as she is a local East Coaster. Living in Beaumaris, she will be joining the team in our journey to work with the tourism industry, communities and our key stakeholders to advocate, partner, promote and support so that visitors to the East Coast enjoy an excellent experience and our East Coast tourism industry is thriving and sustainable.

Over the past three years I have been honoured and privileged to work with the East Coast Tasmania tourism industry and communities. I leave this role extremely proud of the many digital and innovative solutions and projects we have delivered, during a time of great upheaval and change.

I have been very fortunate to have a great team, Chair, Board, Strategic Stakeholders, Industry partners and the communities, who have supported me and I am sincerely thankful to you all.

I have loved being part of the East Coast community and will miss you all.

Warmest regards
Rhonda Taylor - CEO
East Coast Tasmania Tourism

podiatry

As of the 1st December 2022 Sky Podiatry will no longer offer podiatry services from our East Coast consultation sites of Bicheno and Swansea.

We would like to thank the East Coast community for your ongoing support over the last two years. We have immensely enjoyed the community oriented spirit of the East Coast and being able to provide its residents with convenient access to podiatry services.

We look forward to seeing you at our Launceston based Sky Podiatry Clinics in Prospect or Mowbray soon.

Build better bones

DID YOU KNOW 1 in 4 Adult Australians have inadequate
Vitamin D (Also known as the 'Sunshine Vitamin')

BENEFITS OF VITAMIN D

- Maintains bone strength and mineralisation
- Supports muscle function
- Maintains healthy immune system function
- Helps boost Calcium absorption. Calcium is the abundant mineral in the body with 99% stored in the skeleton and teeth. It aids healthy bone development and maintains bone strength. A diet deficient in Calcium can lead to osteoporosis later in life.

Discuss with us your Vitamin D and Calcium requirements

ROADWORKS REPORT

FRIDAY, 28th OCT – 11th NOVEMBER 2022

SWANSEA UPDATED

We are doing maintenance on the Meredith River Bridge on the Tasman Highway in Swansea until Friday, 11 November 2022. There will be a reduced speed limit and frequent lane closures during our working hours, 7:00 am - 5:00 pm.

ELEPHANT PASS ROAD GRAY NEW

One lane has been closed on a short section of Elephant Pass due to cracks in the road which may pose a risk to road users.

The road remains open and temporary traffic signals are in place to guide you through the

150-metre lane closure.

We are continuing to monitor the length of Elephant Pass Road and will let you know if there is any change to current road conditions. Please drive with caution and look out for the lane closure.

ST MARYS PASS ST MARYS NEW

ST MARYS PASS IS CURRENTLY CLOSED TO ALL TRAFFIC.

Persistent rain has caused a lot of damage to Esk Main Road through St Marys Pass. The road was closed on Wednesday, 26 October 2022 after a landslip, and our investigations show there's a chance for more landslips and undermining of the road.

We will start working on urgent repairs once it is safe to do so and we estimate it will take up to four weeks to complete the repairs and reo-

pen the road, depending on the weather.

In the meantime, please limit travel through this area if possible, and if you are travelling from the south please consider using Lake Leake Road instead.

TASMAN HIGHWAY Acton - Hobart Airport

Constructing a new Hobart Airport Interchange between the Acton Interchange and Hobart Airport roundabout until late 2022. Reduced speed limit with frequent lane closures between 7:00 am - 6:00 pm. Please continue to allow extra travel time and follow the directions of signs and traffic controllers.

Visit the [Transport website](#) for a detour map and more information.
