7th November 2017

Issue 44.2017 Year 15

On Saturday 16th September, Swansea Primary All Stars competed in the Infinite Spirit All Stars Cheer and Dance Competition at Kingston. The team was made up of 20 students from grade 3 to 6. The team represented our school well and came home with a first place in the cheer section.

Two stunt groups entered. Swansea Swan Blues and Swansea Swan Gold in the stunt section of the competition, Swansea Swan Golds successfully placed second in the stunting section.

The cheerleaders need to be very proud of their achievements as they have worked extremely hard in the lead up to the competition.

Thank you to all parents who helped with the transport on Saturday to Kingston and formed part of the cheerleading cheer squad.

The cheerleading program at Swansea Primary School ticks many boxes and has been running for three years, the program is so much more than the routine, I have seen so many students grow and become leaders as the program continues to grow: the program focuses on the following: Co-operation, non-gender specific, trusts and resilience develops co-ordination, team work, and gymnastic dance and sports all rolled into one.

Swansea Primary has added another level to the program joining forces with Sorell School and having high school students come with the cheerleading coach to be part of the mentoring program. The power in this component of the program is amazing. Arriving at our competition on Saturday we had a group of students straight up to us wishing us luck. Being a small school we can't field a football team or a netball team, however we can put a group of children from different grades together and create a cheerleading team.

This is another way of showing rural and remote students can give anything a go.

We have been very lucky to source an awesome coach Loren Russell from Sorell Spirit Cheerleading, plus have had many helpers along the way, Chelsea Browning, Beth Rowlings and Melissa Quinn. This year Rikki Murray has also come onto the team to help, Loren and Melissa with the cheerleaders.

On Friday night 15th Melissa showcased our Cheerleading Program to the ICPA State Forum, putting it out there for this program to continue we need sponsorship or donations, as cheerleading doesn't fit the sporting schools criteria regardless of the sport heading to the next Olympics and it's an international sport. We are lobbying sporting schools to change this at the moment. The program also needs to source gymnastics mats, for our cheerleaders to be safe we need the correct matting.

The school needs three of these mats and they are roughly \$1000.00 each with over \$600.00 for freight. The school is trying very hard not to levy this program to students as we are wanting everyone to be involved and don't want it to come down to a cost issue for families.

Our cheerleaders are busy practicing for the next competition on the 11th and 12th of November. *Warm Regards Melissa Quinn*

### Letter to the Editor

Dear Editor re Vacant Food Outlets in Swansea. Can anyone shed light on what is happening with the vacant food outlets? Horny Cray has been vacant for 2 years, Ugly Duckout and The Bank for over 12 months. Are Felicitys and Amos House restaurant still operating? In the absence of these perhaps a food van at the jetty would be a viable option for this summer. *J. Whittaker*

### Quotes of the Week

Don't judge a man by his opinions, but what his opinions have made of him. *Georg Christoph Lichtenberg (1742 - 1799)*

Don't knock the weather. If it didn't change once in a while, nine out of ten people couldn't start a conversation.

*Kin Hubbard (1868 - 1930)*

Spoken words evaporated into the air just as easily as burned letters, but the sound of them seemed immortal. It was as if a word spoken could not be destroyed.

Most conversations are simply monologues delivered in the presence of witnesses. *Margaret Millar*

#### An Update on the Restoration of All Saints Anglican Church

In recent weeks we have been advised by the Tasmanian Heritage Council that we are now permitted to re-roof the church using long length sheets of Colorbond. There is, however, a condition placed upon the profile of these sheets. Instead of having a profile of the usual 16.5 mm, sheets with a profile of 21 mm deep are to be used. This will of course make whole project more expensive. We are now waiting for advice from the building contractor regarding this extra cost and are very pleased that a starting date of "sometime" in February has been mentioned.

We appreciate the support that we have received from this community and will keep you up to date when a more definite starting time is known.

Swansea Corner Store

After 22 years serving you, our valued customers, we have decided that it is time for a rest (some me time) and have sold our business to the Morton family, Trevor, Gabrielle, Jennifer and William.

The store will close at 1 pm on Sunday 12th November for stocktake and handover of ownership.

We wish to thank you all for your support of our small business over the years and hope you will extend the same support to the Morton family.

We would like to wish the new owners the best of luck for the future and once more thank the residents of Swansea.

Cheers Jo and Greg Raspin.
