Issue 44.2022

GLAMORGAN  
SPRING BAY  
COUNCIL

SWANSEA  
COMMUNITY  
CHRISTMAS  
IS COMING  
TO TOWN.

With less than 40 days to go ( but who's counting) our small passionate committee will turn Swansea into a Christmas wonderland.

Ongoing high level discussions have secured a visit from the big man himself SANTA IS COMING TO TOWN.

Save the date December 17<sup>th</sup> 2022 Swansea Community Christmas parade and festivities from 3pm the parade will depart from the rear of Morris Supermarket heading down the main street before arriving on the Swansea recreation ground for some fun and excitement. Food, entertainment, games and more come and share the wonder.

We are asking the community to get involved, decorate your property, create an amazing float to showcase your business, organisation or passion the sky's the limit so get out the thinking caps and start designing.

All businesses are encouraged to decorate and show some Festive cheer. Lights, decorations, festive attire.

Kids Don't forget from December 1<sup>st</sup> call into the Swansea post office to post your letters to Santa in the official Santa's Mail box the Elves are ready and waiting to start receiving your letters to Santa and assisting Santa with the replies. They assure us that the mail always gets thru no matter rain , hail or snow. So mark the date on the calendar and get organizing.

Let celebrate Swansea Community Christmas 2022 and make our Christmas festivities one to remember. Keep an eye on our Facebook page for the latest info

## LOCAL RESIDENTS WHO USE THE OLD COACH ROAD

There has been a significant landslide on Old Coach Road and the road was closed on the weekend for safety reasons. (See attached photos). Emergency services have been notified and information has been posted on Councils website and FB page.

A traffic counter was installed on Old Coach Road recently, over the quieter period, which indicated an average of approx. 36 cars per day. We are mindful that the traffic volume increases on this road over the holiday/Xmas season. Some of these vehicles would be going to local farms and the rest would be going through to Royal George and onwards to Avoca. We have advised the works manager at the Northern Midlands council

and they are putting it up on the web site and face book site.

Staff inspected the site on Saturday and another 70 metre long portion of the road has severe cracking and may also collapse. The recent inclement weather is likely the cause of the slip. The road is sign posted to alert drivers to the road closure and hazard.

Please be aware that reinstatement of the road is not a quick fix but we will be doing our best to design and carry out reinstatement as soon as practical. At this stage we cannot provide a timeframe for the road closure. We don't need more rain!

Regards

Greg Ingham  
GENERAL MANAGER

Many thanks to our General Manager for keeping us informed of such occurrences.

Get to know your *Community Bushfire Protection Plan*.

## DO YOU KNOW WHAT TO DO WHEN A BUSHFIRE THREATENS YOUR AREA?

As the Tasmanian fire season approaches, it's important to have a plan and know your options. Community Bushfire Protection Planning is a national initiative that helps to identify safety options during a bushfire threat.

Tasmania Fire Service works closely with communities, local government, service providers, and other government agencies to create *Community Bushfire Protection Plans* and implement risk management strategies.

Each plan is tailored to individual communities to best suit their needs.

Tasmania Fire Service Chief Officer, Dermot Barry said it was important for people to be prepared, regardless of whether they choose to stay or leave if a bushfire threatens their community.

"Understanding risks and taking steps to mitigate them is important for everyone, but especially those living in bushfire prone areas," he said.

"We want to make sure people are informed, prepared and ready for when a bushfire strikes."

*Community Bushfire Protection Plans* provide advice on what to do:

- Before the fire
- When fires are likely or nearby; &
- After the fire.

There are currently 139 *Community Bushfire Protection Plans* in place across Tasmania, with nine new plans for Murdunna, Heybridge, Redpa, Marawah, Ringarooma, Bakers Beach, Penguin, Beechford and Deviot due to be added soon. Additionally, 11 existing plans have been updated in Strahan, Zeehan, Molesworth, Tinderbox, Campania, Eagle Hawk Neck, Ansons Bay, Claude Road, Taranna, Cradle Mountain and South Hobart.

## SWANSEA PRIMARY SCHOOL

### INFORMATION FOR WEDNESDAY 9TH NOVEMBER

As you may know, public sector unions have called stop work action on the afternoon of Wednesday, 9 November 2022.

As a result of the number of staff participating in this action, a decision has been made to temporarily close all Tasmanian Government Schools for educational instruction from 12.15pm on Wednesday, 9 November 2022. The exception to this is those sites holding Year 11/12 exams which will remain open for the exams only.

This means that on Wednesday our school will open as normal in the morning and students will be able to arrive at school as they normally do on this day. However, families will need to make arrangements to pick their child up at 12.15pm.

Please also note that we have been advised that buses will run as per their usual timetable in the morning and afternoon. Therefore, if your child relies on bus transport in the afternoon you will need to make other arrangements for their travel home as they will need to be collected at 12.15pm.

Further information can be found on the Department's website.

### CHECK IF YOUR SCHOOL IS SIMILARLY AFFECTED.

## THANK YOU

Thank you to everyone who voted for me in the recent Council elections. Your support is very much appreciated.

Council has some very important decisions to make over

the coming 4 years. I encourage everyone to take every opportunity to discuss your council concerns with one of the elected Councillors.

Elected members can only support you with open lines of communication. Councillor contact details are available on the website – [www.gsbc.tas.gov.au](http://www.gsbc.tas.gov.au)

## ROADWORKS REPORT

### FRIDAY, 04<sup>TH</sup> -18<sup>TH</sup> NOVEMBER 2022

#### SWANSEA UPDATED

We will be clearing logs under the Meredith River Bridge on the Tasman Highway in Swansea until Friday, 11 November 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 7:00 am - 5:00 pm.

#### ELEPHANT PASS ROAD. GRAY

**ONE LANE HAS BEEN CLOSED** on a short section of Elephant Pass. The road remains open and temporary traffic signals are in place to guide you through the 150-metre lane closure. We are continuing to monitor the length of Elephant Pass Road and will let you know if there is any change to current road conditions. Please drive with caution and look out for the lane closure.

#### ST MARYS PASS.

##### ST MARYS

St Marys Pass remains closed to all traffic following a landslide and undermining

of the road last week. We have been monitoring the site and there has been no further movement over last weekend.

There are several large rocks sitting in unsafe positions that will need to be removed before the road can reopen.

Elephant Pass is still open to as detour but is currently reduced to one lane for a 150-metre section under a reduced speed limit.

In the meantime, please limit travel through this area if possible, and if you are travelling from the south please consider using Lake Leake Road instead.

#### SEVEN MILE BEACH - MIDWAY POINT NEW

We will be linemarking the Tasman Highway **at night** between Pittwater Road, Seven Mile Beach, and McGees Bridge, Midway Point, from Friday, 11 November - Friday, 18 November 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 6:30 pm - 6:30 am.

#### SORELL NEW

We will be linemarking the Tasman High-

way between Midway Point and Giblin Drive, Sorell, from Friday, 11 November - Friday, 18 November 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 9:30 am - 3:00 pm.

#### TASMAN HIGHWAY Acton - Hobart Airport

Constructing a new Hobart Airport Interchange between the Acton Interchange and Hobart Airport roundabout until late 2022.

Reduced speed limit with frequent lane closures between 7:00 am - 6:00 pm.

Please continue to allow extra travel time and follow the directions of signs and traffic controllers.
