The Newsletter's last issue for 2017 Issue 50.2017 will be printed in full colour on 19th December 2017 and the first issue for 2018 issue 1.2018 will be published on 9th January 2018

SWANSEA SWAN ALLSTARS BRING HOME THE TROPHIES

Swansea Swan Allstars participated on Sunday 13th November at the Dance and Cheer Event at Lauderdale Primary School.

Another great day with the team coming home with a second place. The team is made up of 22 students from grade 3 to grade 6.

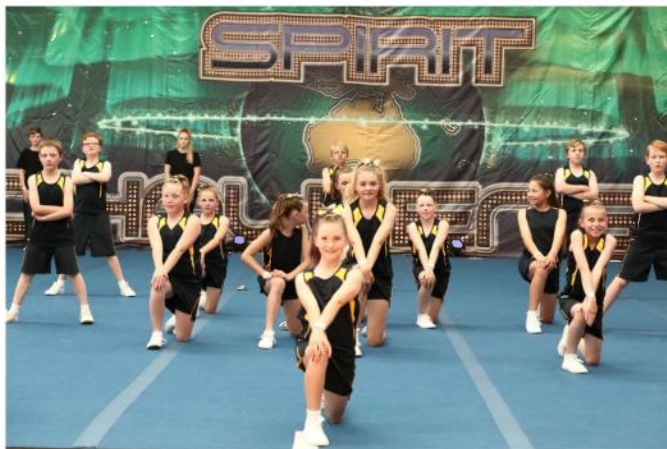

I should like to thank all parents who have helped with transport for 2017, its greatly appreciated. Sunday was our last competition for the year.

Cheerleaders get to have a rest ready to take the mats for 2018.

Swansea Primary may be a small school, however our students are happy to give anything a go. The dedication from the team is fantastic to watch and to see.

We are very grateful for our mentoring group from Sorell High School this partnership has been fantastic and look forward to picking this back up in 2018. Thank you to Loren Russell our cheerleading coach and to Rikki Murray who also gives up her time to support our great bunch of cheerleaders.

The ribbons and competitions are fantastic, however they are only one part of the whole program, it is watching the cheerleaders work together, show support to others, build confidence and have fun and turn up each week ready to give it another go.

Swansea Primary is still seeking funding for 2018 for this program to continue to run. If any businesses would like to support this program please see Melissa at the school office.

Cheers Melissa Quinn

Quotes of the Week

You can discover more about a person in an hour of play than in a year of conversation.

Plato (427 BC - 347 BC)

Conversation is an art in which a man has all mankind for his competitors, for it is that which all are practising every day while they live.

Ralph Waldo Emerson (1803 - 1882)

I don't know how to have casual conversation. You think you're talking about one thing, and either you are and it's incredibly boring, or you're not because it's subtext and you need a decoder ring.

Sara B. Cooper, House M.D., Love Hurts, 2004

Your ignorance, cramps my conversation.

Sir Anthony Hawkins (1863 - 1933)

He had occasional flashes of silence, that made his conversation perfectly delightful.

Sydney Smith (1771 - 1845), referring to Macaulay

Silence is one of the great arts of conversation, as allowed by Cicero himself, who says, 'there is not only an art, but an eloquence in it.' A well bred woman may easily and effectually promote the most useful and elegant conversation without speaking a word. The modes of speech are scarcely more variable than the modes of silence.

Tom Blair

It's always difficult to make conversation with a drunk, and there's no denying it, the sober are at a disadvantage with him.

W. Somerset Maugham (1874 - 1965), The Razor's Edge, 1943

Conversation should be pleasant without scurrility, witty without affectation, free without indecency, learned without conceitedness, novel without falsehood.

William Shakespeare (1564 - 1616)

Swansea Primary Swim Team

On Monday 13th November the swim team, competed at the Southern Primary Schools Swimming Carnival Division F at the Hobart Aquatic Centre.

Swansea brought home a second place competing against Bagdad, New Norfolk, Glenorchy, Rokeby and Moonah.

Well done to all students who once again represented our school with great pride, it is great to see new swimmers joining our team and is great to see older swimmers helping our newbies.

Well done to the following students Auley, Eimear, Naoimh, Karl, Isaac, Lewis, Liam, Bella and Matilda who will go back and represent Swansea at the Champions Carnival.

All Saints Opportunity Shop

We again need to express our thanks and appreciation for all of the donations of goods to our shop. The support from the public is overwhelming.

Thanks also to our wonderful volunteers without whose assistance we could not continue to function.

Mimi-Markets are still proving to be popular and successful. The next market will be held on Friday 24th Nov at 10 am. All are welcome to come along, have a browse and a chat over a cup of tea or coffee and a scone.

The Dec mini-mart will be held on Friday 15th, as the fourth Friday would be too near to Christmas.

Our shop will not be open on Christmas Day, Boxing Day nor New Years Day, otherwise it will be business as usual from 2nd January.

Letters to the Editor

Dear Editor, An up-date on Bertrand Cadart. Bertrand is a close friend of mine, so we keep in touch. Since leaving Bicheno, he has bought a house at Mapleton on the Sunshine Coast, Qld.. His daughter, Anne France, her husband, Andrew, and their little son, Murphy, live in Buderim, while his son, Mathieu, lives in Caloundra, also on the Sunshine Coast. They're close enough to provide support for their father.

Bertrand has told me it's all right to post this notice, to let his Tassie friends know what is happening to him. The condition he has is Myelodysplastic Syndrome, which sadly, has progressed to Acute Leukaemia. His symptoms of chronic fatigue and weakness take their toll, of course. A month ago he began a course of chemotherapy, which adds to his distress and he requires regular blood transfusions to combat the effects of chemo. He'll have to endure five more months of treatment, before his haematologist can give him a definitive prognosis.

Despite these difficulties, he's doing his best to lead a normal life, managing his household (with some assistance) and spending time with family, while playing the occasional game of petanque with his coppers. He relishes happy memories of his time here, but misses the relaxing lifestyle of Tassie's east coast. He'd have thoroughly enjoyed this weekend, socialising with tourists and his mates at Bicheno's Food and Wine Festival.

He sends everyone his very best wishes!

The Dolphin Sands Ratepayers' Association Inc. (DSRA) was formed by residents of Dolphin Sands Road and Great Oyster Bay Estate (Cambria Drive).

The main reason for the formation of DSRA, was to facilitate management and maintenance of the area, to help protect the stunning natural beauty of the environment, the flora and fauna, to help inform and educate residents/ratepayers about fire protection, and to have a voice as a community group with issues when needed. Providing a platform for communication within the area and amongst all those involved.

As stated in our constitution: -

- a. To establish a non-political and non-sectarian Ratepayers Association to provide a forum for its **members**

- c. To use the Associations' best endeavours to safeguard the interests of the Ratepayers within the Territory
- d. To promote acceptable development in the Territory
- e. To take such action in respect of all forgoing objects and purposes as shall be resolved by the Association

DSRA has, and always strives to be inclusive, and to have open and transparent governance.

These positions are currently filled by: **Peter Geard** (President), **Colin Stevenson** (Vice Pres & Sec), **Gary Stoward** (Treas), **Diane Bricknell** (Public Officer), **Gary Stoward** (Neighbourhood Watch Rep), **Anne Held** (Committee Member), **Alan Gifford** (Committee Member).

MANGE IN OUR MUNICIPALITY

We would be very grateful if any sightings of wombats with mange can be reported to either us directly or the council.

Fortunately the few cases of mange here have been treated.

Please let us know if a wombat in your area is being treated so we will know they will not be in contact with untreated wombats that are mange free. If not they will infect others and spread the mite.

PLEASE REPORT WOMBATS WITH MANGE

We really appreciate your help to keep our municipality clear of mange.

Scientists have said that in another 7 years wombats will most probably be extinct without a cure.

We have been treating wombats and now have animals *six months mange free* after our chemical free treatment regime.

PLEASE DONATE - ANY \$ APPRECIATED

The Swansea Holiday Park sponsored a very enjoyable two person Ambrose event. The winners of the sponsor's handsome trophy were Alison and Rod Smith however, Anita Smith and partner Dave Mossop produced the best score of the day with a round of 52.5, but as Dave is not a club member they were not eligible to win the trophy. Val Kemp and Murray Lethborg combined to finish in third place. Winner of the nearest to the pin competition was Pat Hardcastle with magnificent shot on the 4th green. Club members expressed their appreciation and thanks to our sponsors Peter and Janelle Woodward owners of the Swansea Holiday Park for their generosity and support.

Results: A. Smith & D. Mossop 52.5 R. & A Smith 57.5 V. Kemp & M. Lethborg 58

Fran Dowling scored a hole in one in the last FOBS event for the year.

The final combined clubs' event between Freycinet, Orford, Bicheno and Swansea (FOBS) was held at Bicheno on Saturday. After leading the aggregate competition for most of the year, Swansea increased their lead to win the annual trophy with a score of 728 points. Orford finished in second position with 677 points, Bicheno 667 and Freycinet 617. One of the highlights of the day for Swansea was Fran Dowling's second hole in one for the year on the 4th hole. Club Captain, Chris Howell was the best of the Swansea players with a Stableford score of 39 points, Jack Hardcastle finished with 38 in second spot. Lyn Lyne had had an excellent day being Swansea women's best with a round of 37 points and winning the women's overall competition, and to add to her success she also won the Women's nearest to the pin on the par 3 4th hole on which Fran scored his ace.

Congratulations to all Swansea players who contributed to this year's win. Well done! See Photos Page 14
