OUR NEWLY ELECTED GLAMORGAN-SPRING BAY COUNCIL

SCOOTERS VISIT EAST COAST

The weekend of the 29th and 30th of October saw Swansea play host to the Australia National Classic Scooter Group. The DAP, Swansea Chamber and Jo Raspin had been in conversation with the Committee since early 2020 with the group originally due to visit November 2020. After a couple of postponements all finally fell into place and the group were able to cross the straight and visit Tassie.

There were approximately 100 people with 40 scooters varying in models, age and make. The participants came from WA,

QLD, VIC, NSW, ACT and Tasmania and usually hold the rally every two years.

Originally we were to have a show and shine event on the Swansea Recreation Ground on Sunday but due to all the bad weather leading up to the weekend we were forced to cancel, however the vespers were all lined up along Franklin Street on Sunday afternoon for anybody interested to view.

The event went off very well with the Swansea Town Hall being their place to gather on both Saturday and Sunday night. The Chamber with the significant help of Jo Raspin provided the refreshments and food whilst they organised their own music. We received lots of positive feedback and The Scooter Group certainly looked

like they had an enjoyable couple of nights. This also allowed the Swansea Chamber to raise funds, which we are planning to put back into the community with some more functions and projects for all to enjoy.

Monday morning, they were up early ready to head south to Richmond, breakfast was provided for them by the Swansea Bowls Club and thankyou to all involved in that club. A great weekend was experienced by all, and they thought Swansea was beautiful and hopefully this is passed onto their friends and family and helps promote the area further.

HELP YOUR CHILD KEEP ON TOP OF ASTHMA THIS SUMMER

During all the festivities, please don't forget to keep up your child's asthma management and continue to use their asthma medication as prescribed. Good asthma management over the holidays means less time off school when kids return in the new year, and less time off work for you.

To make sure your child stays as healthy as possible over the break and into 2023, you can take the following steps:

- Check your child's medication to make sure they're still in date.
- Keep using your child's preventer

medication as directed over the summer holidays, even if they're feeling well.

- If you're leaving the house or going on holiday, make sure you pack your child's asthma medication(s) and a spacer.
- Book an Asthma Review with your doctor to get an updated written Asthma Action Plan during the holidays- you'll need this for Term 1 2023. Book in early as doctors can have limited appointments over the Christmas period.
- Use Asthma Australia's [Checklist](#) for parents and carers for back to school time in 2023.

ROAD & WEATHER REPORT

ROADWORKS REPORT

FRIDAY, 18th NOV. - 2nd DEC. 2022

SWANSEA UPDATED

We will be clearing logs under the Meredith River Bridge on the Tasman Highway in Swansea until Wednesday, 14 December 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 7:00 am - 5:00 pm.

ELEPHANT PASS ROAD.

GRAY

ONE LANE HAS BEEN CLOSED on a short section of Elephant Pass. The road remains open and temporary traffic signals are in place to guide you through the 150-metre lane closure. We are continuing to monitor the length of Elephant Pass Road and will let you know if there is any change to current road conditions. Please drive with caution and look out for the lane closure.

ST MARYS PASS.

ST MARYS

St Marys Pass remains closed to all traffic following a landslide and undermining

of the road last week. We have been monitoring the site and there has been no further movement over last weekend.

There are several large rocks sitting in unsafe positions that will need to be removed before the road can reopen. Elephant Pass is still open to as detour but is currently reduced to one lane for a 150-metre section under a reduced speed limit.

In the meantime, please limit travel through this area if possible, and if you are travelling from the south please consider using Lake Leake Road instead.

TASMAN HIGHWAY Acton - Hobart Airport

Constructing a new Hobart Airport Interchange between the Acton Interchange and Hobart Airport roundabout until late 2022.

Reduced speed limit with frequent lane closures between 7:00 am - 6:00 pm. Please continue to allow extra travel time and follow the directions of signs and traffic controllers.

Visit the [Transport website](#) for a detour map and more information.
