Issue 49.2022

## LOCAL SCHOOL COMMITMENTS DELIVERED

Member for Lyons, Brian Mitchell, today announced that funding for two local schools has been delivered by the Albanese Government.

The schools are:

- Deloraine High School will receive \$50,000 for machinery for the workshop
- Swansea Primary School will receive \$50,000 for outdoor learning space upgrades.

Mr Mitchell said the funding for these commitments has now been confirmed and will be provided to the schools in coming weeks.

“We committed to funding for these important school upgrades – and we’ve delivered,” Mr Mitchell said.

“This is terrific news for these schools – especially for their students.

“It means better equipment and facilities to help them learn and play in a top-class environment.

“I’m so proud of our local schools and students. Everyone has had a tough couple of years and this funding is part of our efforts to help them bounce back.”

The funding is part of the \$270 million School Upgrade Fund which is being rolled-out by the Albanese Government to boost school infrastructure for students especially to combat the impacts of the pandemic.

Mr Mitchell also encouraged local schools

to apply for funding for projects under the open grant round.

“The open grant round is worth \$32 million and will be invested in things like new laptops and iPads, classroom upgrades and outdoor learning areas,” Mr Mitchell said.

“I want our local schools to get their fair share and so I’m encouraging them to apply.”

Funding will go to schools most in need towards small-scale projects worth up to \$25,000 to create healthier and safer learning environments and help students get back on track after disruptions caused by COVID

*Media release*

Above: Mayor Arnol & Maureen Martin Ferris at Maureen's retirement lunch

left: Maureen, museum staff & G-SB Council staff discuss her retirement.

Spring Bay council and she has her own website dedicated to the history of Tasmanian churches.

Maureen will be continuing her work as she plans to work one day a week with the local historical society and

continuing to update her website, <https://www.taschurches.org/>

## LOCAL MUSEUM CURATOR CALLS IT A DAY

Curator of the East Coast Heritage Museum, Maureen Martin Ferris has decided to retire. The museum located in Swansea has been Maureen's passion for close to 15 years and her dedication to the preservation of the history of Glamorgan-Spring Bay is amazing.

Maureen is a qualified curator and holds a Diploma of Museum Practice Museum and Library Studies which she achieved through the assistance of Glamorgan-

### SWANSEA GENERAL PRACTICE

We are experiencing a high demand of calls for appointments at present and we cannot always offer an appointment for up to 3 to 4 days. If you require urgent medical attention, present to the Urgent Care Centre at May Shaw. Please ensure you make an appointment well in advance when you require a renewal of your scripts as we are not able to fit in patients at the last minute. We are doing our very best to accommodate patients but ask for your patience and understanding as we are under a lot of pressure trying to meet the growing demands and expectations. Thank you for your consideration.

*Wishing you all a very happy  
Christmas and keep safe over the  
busy festive season.*

## SWANSEA'S 2ND FUEL STATION RE-OPENS.

The Ampol station, which is owned/supplied through Bennett's Petroleum has reopened after a major refit and upgrade of its storage tanks, fuel pumps and driveway. A fresh coat of paint has also been applied to all the buildings and surrounds. The fuel station only needs some additional signage and all will be complete.

Locals are happy to see the Ampol station reopen in time for the Xmas/New Year period as tourists are travelling through Swansea in ever increasing numbers. The United served the passing customers and locals well but it could be a bit of a wait at times.

## BUILDING BETTER ROADS WILL PRE- VENT ANOTHER \$3.8 BILLION BLOWOUT

With the cost of repairing Australia's flood and rain damaged roads expected to top \$3.8 billion, the Australian Local Government Association (ALGA) has joined with the Australian Road Research Board (ARRB) to call for an urgent rethink of road construction, maintenance and funding.

Speaking of behalf of Australia's 537 councils, ALGA President Linda Scott said rebuilding these roads to current standards would only cost Australian communities more in the long term.

"In recent months, thousands of kilometres of local roads across NSW, Victoria, South Australia and Queensland have been severely damaged by flooding, and in some cases have been washed away," Cr Scott said.

"ALGA has estimated the total cost of fixing and replacing these roads is in the vicinity of \$3.8 billion, which is roughly the equivalent of Australia's annual foreign aid budget.

"Considering the ongoing impacts of climate change, we can't simply rebuild our local infrastructure – including roads, footpaths and cycleways – to current standards, we need a fundamental shift in the way we fund, deliver and maintain these assets."

ARRB Chief Executive Officer Michael Caltabiano said the extensive damage to large parts of the road system across several states was a major wake-up call and an opportunity to evolve the way Australia's roads are constructed and managed to deliver more resilient outcomes.

"Moisture is kryptonite for roads, and inevitably leads to potholes. This year's floods and torrential rains have caused large scale catastrophic damage to the road systems that connect communities and deliver freight. Now is the time to reassess what innovations are possible to prevent a repeat of this infrastructure emergency," Mr Caltabiano said.

Mr Caltabiano said standards and materials used for constructing Australia's road systems needed to change to improve water resistance and quicker recovery after significant rainfall events.

"Australia houses some of the smartest road technology in the world and the latest ARRB research shows many recyclables –

*Gala Kirk*

## UPDATE ON THE SALE OF GALA KIRK CRANBROOK

including tyre rubber – are not only eco-friendly but create a more durable and resilient road surfaces," Mr Caltabiano said.

"ARRB also has a range of the state-of-the-art vehicles fitted with lasers and high-tech equipment to measure road conditions at traffic speed. Pinpointing the issues on a road can ensure valuable maintenance dollars are spent in the right place, at the right time."

Cr Scott said while councils appreciate the significant federal government support they receive, they need an increase in Federal Roads to Recovery funding from \$500 million to \$800 million per year to help invest in new technologies and build more resilient roads.

"ALGA has advocated for betterment funding to be more effectively incorporated into Disaster Recovery Funding Arrangements, and we are pleased the government has indicated they are keen to progress these changes.

"While many councils are facing unprecedented flooding, others in the Northern Territory and northern Western Australia see their roads washed away every wet season, and these councils need more support to break this cycle."

Cr Scott said the Government's new Disaster Ready Fund would play a key role reducing damage caused by natural disasters.

"No amount of innovation can save a road that's underwater, so it's vital we continue to invest in flood mitigation.

"Allocating \$200 million per year is a great first step, but we need to continue to grow this investment if we want to effectively safeguard our local towns and communities."

It is with sadness the committee of Gala Kirk Inc announces that our Community Expression of Interest to purchase Gala Kirk and cemetery was not successful.

We have unanimously agreed that until settlement is finalised that we would continue with our raffle and fundraising with the chance that the accepted EOI may not succeed. There are quite stringent conditions attached to the property that include its Heritage listing, and requirement to be approved as cemetery managers.

With the donors consent therefore, the bank account will stay as is with funds ready to use in event of the buyer not meeting criteria. Of course refunding donations still apply if otherwise unsuccessful.

There will be a Christmas Eve Uniting Church Service at 5 pm at Gala Kirk. All most welcome!

Any questions, concerns or to buy raffle tickets, please contact us;

# ROAD & WEATHER REPORT

## ROADWORKS REPORT FRIDAY, 09<sup>th</sup> – 23<sup>rd</sup> Dec. 2022

### ORFORD NEW

We will be linemarking the Prosser River Bridge on the Tasman Highway at Orford until Thursday, 22 December 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 7:00 am - 6:00 pm.

### SWANSEA

We will be clearing logs under the Meredith River Bridge on the Tasman Highway in Swansea until Wednesday, 14 December 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 7:00 am - 5:00 pm.

### COLES BAY NEW

We will be repairing the Tasman Highway between Coles Bay Road and Barbers Creek Bridge, Bicheno until Friday, 23 December 2022.

There will be a reduced speed limit with frequent lane closures during our working hours, 9:00 am - 3:00 pm.

### CRANBROOK - MYRTLE BANK NEW

We will be repairing the Tasman Highway between Glen Gala Road, Cranbrook and Myrtle Bank Road, Myrtle Bank from Wednesday, 14 December 2022 until Tuesday, 31 January 2023.

There will be a reduced speed limit and frequent lane closures during our working hours, 7:30 am - 5:30 pm.

7:30 am - 5:30 pm.

### ELEPHANT PASS ROAD GRAY

Elephant Pass remains open to all road users with a reduced speed limit and a short section that has been reduced to one lane. Elephant Pass is our recommended detour during the closure of St Marys Pass.

Work on longer term repairs started this week. The repairs include a retaining wall to shore up the cracked section of the road, and repairs to the road surface to keep it in a safe and driveable condition.

We are actively monitoring the road to identify any change in its condition. This monitoring shows that the road is safe for use with the measures we have put in place

### ST MARYS PASS

St Marys Pass remains closed to all traffic following a landslip and undermining of the road last week.

Construction is underway, with our contractor making good progress on the extensive excavation works required.

It is estimated to be several weeks before the road will be safe to open.

Elephant Pass is open as a detour but is currently reduced to one lane for a 150-metre section under a reduced speed limit.

### ROSNY NEW

We will be mowing next to the Tasman Highway between Rosny Hill Road and the Tasman Bridge on Wednesday, 14 December and Thursday, 15 December 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 9:00 am - 3:30 pm.

9:00 am - 3:30 pm.

### MIDWAY POINT - SORELL NEW

We will be linemarking at night on Tasman Highway between Midway Point and Giblin Drive, Sorell until Thursday, 22 December 2022.

There will be a reduced speed limit and frequent lane closures during our working hours, 6:30 pm - 6:30 am.

### TASMAN HIGHWAY Acton - Hobart Airport

Constructing a new Hobart Airport Interchange between the Acton Interchange and Hobart Airport roundabout until late 2022.

Reduced speed limit with frequent lane closures between 7:00 am - 6.00 pm.

Please continue to allow extra travel time and follow the directions of signs and traffic controllers.

Visit the [Transport website](#) for a detour map and more information.
