Issue 02.2023

Subject to Environmental Regulations and Local Government By-Laws and any restrictions in parks and reserves.

electric BBQ	gas BBQ	incinerator	campfires	burning heaps	burning land

The Tasmania Fire Service can declare a Total Fire Ban on days when the danger of fire is extremely high and when fires would be expected to develop rapidly and to be extremely difficult to control. Usually a Total Fire Ban lasts for 24 hours.

Days of Total Fire Ban are advertised in daily newspapers, on television and radio and on the TFS website.

On Days of Total Fire Ban, all outdoor fires are banned except electric stoves and barbecues, and gas stoves and barbecues provided they are cleared of flammable material for at least one metre. All barbecues, portable stoves, pizza ovens etc that use wood, charcoal, heat beads or other solid or liquid fuel are banned.

Bush walkers are advised that the only cooking appliance that can be used on Total Fire Ban Days are LPG (Butane or Propane) cookers or stoves providing that they are clear of any flammable material for a distance of 1 metre.

Work practices such as grinding, welding and cutting metal in the open are not permitted. The use of Machinery Operations Guideline may be subject to restrictions or prohibited on the declaration of a total fire ban. All fire permits are automatically suspended.

Remember

- Your fire is your responsibility
- Fires must not be left unattended at any time of year
- To report a fire dial triple zero 000

BRIAN MITCHELL MP FEDERAL MEMBER FOR LYONS

New Year brings payments boost for Young People, Carers and Students

Young people, carers and students received a boost on 1 January 2023 with the indexation of their social security payments.

Youth Allowance increased between \$19.10 and \$41.40 a fortnight. The 6.1 per cent increase was the largest in the Youth Allowance's 25-year history.

Austudy went up between \$32.40 and \$41.40 a fortnight, depending on living arrangements and dependent children. People under 21 without children receiving Disability Support Pension will receive payment increases of between \$27.40 and \$40.70 a fortnight, including Youth Disability Supplement.

Rates of ABSTUDY and Assistance for Isolated Children will increase, as will Mobility Allowance, Double Orphan Pension, Carer Allowance and Pharmaceutical Allowance.

Brian Mitchell, Federal Member for Lyons, said:

"With the cost of living going up, these higher-than-usual indexation increases will make a difference, enabling young people and carers to afford a few more groceries or put money towards higher rents"

Other payments and thresholds, such as adult pensions, JobSeeker Payment and Parenting Payment are indexed at other times of the year.

More details on the new payment rates and thresholds are available on the Department of Social Services website.

FIRE ARE YOU PREPARED

Now with the Summer finally arriving the days are longer, the nights warmer and well the grass quickly drying out. The chance of a vegetation fire is ever increasing so we all need to reduce our risk. Understanding your own risk helps you better prepare, yourself and your property.

Check the Tasmania Fire Service website for so great info www.fire.tas.gov.au
