VOLUNTEERS HONOURED!

Members of the
Volunteer Fire Brigade

Kelvin Jones

510 sounds just like a number but on Monday 17th April it was the years of combined service that was awarded to volunteers from the Glamorgan group of Fire brigades.

Volunteers from Triabunna, Mayfield, Swansea, Cranbrook, Coles Bay and Bicheno fire brigades attended the Swansea Emergency Services building for their annual awards presentation.

Attended by the Chief Officer, Deputy Chief, Regional Chief and District staff volunteers, family and friends.

The night acknowledged the dedicated service of all of our amazing volunteers. Awards for service of between 5 and 50 years were handed out .

Just with this group 510 years of combined service was acknowledged with all of our other volunteers one would only guess at the years of dedication if all were added together.

So why not think about coming on board and adding to the total, you never know where it might lead.

For more information contact your local brigade or visit fire.tas.gov.au/volunteering

LOCAL GOVERNMENT ASSOCIATION LOOKS FORWARD TO COLLABORATION WITH STATE GOVERNMENT ON REVIEW PROCESS

The Local Government Association of Tasmania (LGAT) welcomes the release of the Stage 2 Interim Report of the Future of Local Government Review. We are pleased to see recognition of the challenges that today’s local government sector faces, including how and where services are delivered.

Our submission to the Local Government Review Board highlighted that the role of councils has changed over the years and they are lacking the right tools, support and funding models to deliver on the expectations that have been placed on them.

LGAT President and West Tamar Mayor, Christina Holmdahl, said that “the report reflects the principles that LGAT and councils have put forward, such as retain-

ing jobs and services locally, fairer and more sustainable funding models and ensuring preservation of a local voice”.

“Navigating and designing new boundaries, where appropriate, and shared services, will be a huge challenge for councils moving forward.

We recognise that it is communities that will inform what is the best and right fit for them – not the Board or the State Government,” she said.

The Local Government Board has indicated that it will work with LGAT to develop an approach that supports councils to engage with their communities on boundary changes and shared services. This is an important step to make sure that reform is grounded in community needs. The broader commitment from the State Government to implement reform is welcomed.

We also acknowledge the shift of the consideration of the development application role to the Minister for Planning. This will require additional resources to ensure prompt and thorough consideration, rather than slowing the important planning reforms under way.

We look forward to supporting Tasmanian councils as they navigate this process and welcome the opportunity to collaborate with the State Government to get this right.

MAYORAL MOMENT FOR APRIL

There's not a lot to report from the April Council meeting held a week early because of Anzac Day falling on our regular meeting day.

There were two development applications dealt with including a change of use to visitor accommodation in Bicheno and change of use of the Buckland Church to a function centre as well as the draft amendment under the Local Provisions Schedule for the Dolphin Sands Particular Purpose Zone.

There was only one request for event support and Council was very pleased to support the application from the Bicheno Beams committee.

The Deputy Mayor's Notice of Motion to open discussions with the State Government on the location of the proposed new ambulance station in Bicheno was supported by Council. As a Council we are fully committed to getting a new ambulance station in Bicheno but we have some concerns around the Government's proposed location.

All other matters were statutory or information reports.

As it is the first time for many years that we have had a Premier visit the Council Chambers, we were delighted when the Premier Jeremy Rockliff, Deputy Premier Michael Ferguson and the Member for Prosser Jane Howlett agreed to come for a 'meet and greet' of Councillors and staff in the Chambers on 19th April. We thank Sea Forest and Spring Bay Mill for agreeing to host our guests for their morning visit to our area.

The latest report from the Local Government Board is out for review. To read the report, go to www.engage.futurelocal.tas.gov.au At the

time of writing, I have not had the opportunity to read the whole document but a quick scan highlights some interesting concepts for the future of local government in Tasmania.

As always, if you have any matters that you wish to discuss or raise, please get in touch via email council@freycinet.tas.gov.au

Until next time.

SWANSEA DOG PARK

The Swansea community is very fortunate to have such a lovely dog park in the most stunning location. For the most part, people are very appreciative of it and look after it. However, lately it would seem that people have become incapable of picking up after their dog and it's no exaggeration that several of the regular users pick up 6 or 7 bag's full before we let our dogs free.

Our Council ensures a regular supply of bags at the gate and on the shelter inside, and the bin is checked daily. There is absolutely no reason why owners cannot pick up after their dogs, other than they are lazy or don't care. Also if your dog digs a big hole under the fence, how about you return and fill it in before someone else's dog escapes. None of these things are difficult to do if you have a care for your fellow dog park user and the wider community.

If we abuse it, we will lose it!

Celia Ralston, Swansea

SWANSEA CHAMBER OF COMMERCE, COMMUNITY & TOURISM FUND RAISING INITIATIVES.

Over the last few months, the Swansea Local Events Committee (a Chamber sub-committee) hosted a Movie Under the Stars event and the Swansea Car & Bike Show, with a dual purpose to provide some entertainment for the local community and visitors to the area, along with raising funds for the East Coast Salvation Army and the Royal Flying Doctor Service. These organisations provide valuable services within our local community.

Both these events were impacted by our unusual weather at the time. However, we raised approximately \$1800 from our wonderfully generous community. This amount has been split equally between the East Coast Salvation Army and the Royal Flying Doctor Service.

We plan to continue hosting events and we hope you will continue to support them as we raise funds for our local community.

We would love to hear from you if you would like to volunteer some time towards assisting with these events.

SWANSEA RESIDENTS CAN ACCESS ONLINE DELIVERIES 24/7

Swansea residents can now get their hands on online purchases day and night, using Australia Post Parcel Lockers now available external to the Local Post Office and next to the Post Boxes.¹

Swansea Local Post Office is officially home to a bank of shiny new red Parcel Lockers for local residents' convenience. When shopping online, local residents can conveniently choose to have their packages delivered to a Parcel Locker instead of their home or workplace – at no added cost. By simply downloading the Australia Post App, creating a MyPost account, and registering a preferred Parcel Locker location, customers can receive their deliveries when and where it suits them. With the added convenience of tracking and viewing estimated delivery dates all in one spot via the app.

Australia Post General Manager of Retail Operations, Josh Bannister, said Parcel Lockers provide customers with 24/7 access 365 days a year, allowing collection convenience and added security. Not only can you collect your parcels from our Parcel Lockers, but you can also return your items by following the merchant instructions with pre-paid packages.

“As Australia's postal service for more than 200 years, we're at the heart of every community and Parcel Lockers are just one of many ways we're responding to the changing needs of contemporary Australian communities.”

“With Australia's eCommerce market having grown exceptionally in size over the past two years and online shopping now accounting for nearly 20 per cent of total retail spend, we look forward to continuing to invest in our network to meet the needs of our customers,” he said.

Customers can register to access Parcel Lockers at Swansea Local Post Office from today onward. Not only this, with over 700 Australia Post Parcel Locker locations across the country, customers have the option to register at multiple locations, making it easy to receive online orders in their local area or away from home.

To find out more visit: <https://auspost.com.au/receiving/collection-points/use-a-247-parcel-locker>

¹ **Terms and conditions** apply. Collection time limits apply. Fees and charges will apply to carriers other than Australia Post and StarTrack to lodge parcels under the Parcel Locker services. This cost may be passed on to customers.
