## NEW VENTURE OPENS IN SWANSEA TO SERVE THE EAST COAST

Roberts & Partners Lawyers, Roberts Insurance Providers and PDA Surveyors officially opened their Swansea branch offices on Friday at Shop 2/3 Franklin Street, Swansea. The office was opened by the Hon. Eric Abetz in front of twenty or so on lookers and guests.

All the businesses are excited to expand and provide their services to the East Coast based out of Swansea, centrally located on the East Coast.

Roberts Insurance Providers, Account Manager, Neil Luddington says: "We are delighted to be opening our branch office on the East Coast to provide our personalised services to the local Swansea community."

Roberts & Partners Lawyers, Solicitor, Anton Roberts also said: "Our Swansea office will enable our firm to better serve our East Coast clientele and provide more legal services to the region to meet the growing Tasmanian private enterprises on the East Coast." Roberts & Partners Lawyers, is a family owned and operated law firm, assists individuals and businesses with conveyancing and property matters, litigation, wills and estates.

PDA Surveyors is a Tasmanian owned and operated multi-disciplinary firm offering land and engineering surveying, civil engineering and town planning services.

All of these businesses are proudly Tasmanian owned and operated. It is hoped that Swansea will benefit from the valuable services being brought to the area by these three new ventures.

## ANOTHER WAY TO MELBOURNE

The Flying Kangaroo will launch direct flights from Burnie to Melbourne for the first time in 15 years to meet growing

demand for travel within Australia. From 21 June 2021, QantasLink will operate seven weekly return flights from Burnie to Melbourne with its 50-seat Q300 turboprop aircraft, adding 700 seats on the route each week.

QantasLink CEO John Gissing said the new route would create stronger connections for Tasmania's north west coast. "We're pleased to be adding Burnie to our map again to help support growing demand and offer travellers and the business community more choice," said Mr Gissing.

"Tasmania has been popular with our customers since travel restrictions started to ease last year and these new flights will make it easier for travellers to experience the culture, natural beauty and wildlife of Burnie and its surrounds.

"Residents of the north west coast will be able to earn and use Qantas points on direct flights from Burnie to Melbourne and seamlessly connect on to our extensive domestic network.

"We're promoting these new flights to millions of our frequent flyers across the country and think they'll enjoy the benefits of our premium service, including complimentary food and drinks, baggage and lounge access before they fly out." This announcement follows four other new routes Qantas has launched to Tasmania in recent months in response to demand – Brisbane-Hobart, Sydney-Launceston, Perth-Hobart and Canberra-Hobart.

To date the roll out of Covid vaccines has been slow with limited supplies received. We have vaccinated most people over the age of 80 and are expecting more vaccines to arrive shortly. GP Clinics are only supplied with the Astrazeneca vaccine. Anyone over the age of 50 can now contact the surgery to make an appointment at one of our clinics. **PLEASE do not ring the Surgery on Monday mornings** for a vaccination appointment as the phone lines must be kept free for anyone ill over the weekend needing medical care.

**AT THE COVID CLINIC YOU ARE REQUIRED TO STAY AT THE SURGERY FOR 15 MINUTES AFTER YOUR VACCINATION.**

## LETTERS TO THE EDITORIAL TEAM

### Re-Use Shoppe or OP shop?

A tip shop which, as the name suggests, is usually located at a tip to allow for the selling of materials that would otherwise go to waste.

Swansea has been in need of such a facility for years but the small shed supplied by the council was hopelessly inadequate to cater for the recyclable goods.

So out of this arose the RE Use Shoppe in town. This was great but to now have this facility operating in direct competition with our local OP Shop by openly asking for donations of goods that the OP Shop usually sells is not in the spirit of fairness and appreciation of the fact that our OP Shop has a long history of operating in Swansea for the benefit of everyone.

I think the Re Use Shoppe should deal with that which comes from the tip plus any goods too large for the our local Op Shop to handle.

Requesting donations of glasses and small goods by The Re Use Shoppe through advertising in our newsletter would suggest that it is, in part, operating as an OP Shop.

However, there is no law against this but I am saddened by the direction this facility has taken.

Fred Willis, Swansea

*Teams note..... Competition is good for the soul but not the bottom line*

### Triabunna to Wind Song

On Friday Jane and I were thrilled to welcome back to Wind Song students, staff and parents from the Triabunna District School for their annual cross country event.

Wind Song has been the traditional venue for a number of years but, in 2020 Covid interrupted that tradition.

It is a whole school event involving a shuttle of buses bringing various classes from Triabunna to Wind Song to compete, followed by a sausage sizzle and a chance to get their breath before returning to school. There is laughter, cheering and plenty of support from and for the students.

We find that the students are very respectful, polite and courteous. The 2021 Triabunna District School 2021 Cross Country is over for another year, congratulations to winners and place getters, but most of all thank you leaving no trace that you have been here - it is spotless!

We look forward to 2022.

Jane and Tom Tenniswood,  
Wind Song,  
Little Swanport.

### Missed around town

A familiar face around town has been absent recently.

Gary Grey has been delivering mail in Swansea for 20 years or more and Gary now has a personal battle on his hands and can no longer deliver our mail.

Gary has always gone about his business with no fuss and his polite and quiet nature will be missed.

We wish Gary all the best with his health issues and hope to see him out and about again soon.

Anonymous, *named supplied*

*Teams note..... We all agree, Gary will be missed, especially by Alvin. All the best to Gary for the future.*

### FUNNY

A teacher asked her students to use the word "beans" in a sentence. "My father grows beans," said one girl. "My mother cooks beans," said a boy. A third student spoke up, "We are all human beans."
