Tasmania Fire Service SHARE the INFO

Sunday the 2nd October a beautiful sunny warm morning saw Tas Fire's Community Education unit set up in Dolphin Sands. The Bushfire Ready Neighbourhoods community day had arrived at Dolphin Sands.

The day's convenor community education officer Tas Fire Lesley King wanted to get the info out and prepare the region for the upcoming and future bushfire season that may impact the region.

The day was supported by our local fire brigade and SES unit with our local volunteers on hand to answer any questions that residents asked. The Dolphin Sands Ratepayers' Association were there with relevant information available about the area and the ways residents can become involved and help to take ownership of their part of Dolphin Sands.

Council NRM staff provided information on plants suitable to the region as well as other tips. Don't forget the Glamorgan Lions club members also attended to provide light refreshments during the morning.

All in all it was the bringing together of the varied groups and the residents in one area that was a plus for the day. Everyone coming together for one purpose to disseminate vital information on a topic that unfortunately may one day impact on all of us.

Discussions with residents included –

When should I leave?
Should I stay or leave?
Do I go to the beach?
How much vegetation do I need to remove around my property?
Property access?
Water access for fire fighting; what do I need?

I hope for those that attended most or all of these questions were answered.

For those requiring further information contact your local brigade, the Dolphin Sands Ratepayers' Association or check the Tasmania Fire Service website www.fire.tas.gov.au

These days won't prevent fires; however the information and knowledge sharing that they encourage will better steel the area and those who reside in it in case we have fires impacting in the future.

A big Thank You to all those volunteers that gave up their time to support this event and to the organisers and Tas Fire for their ongoing support.

Letter to the Editor

Dear Editor, is it true that the Council is investigating the building by ratepayers, of a large dam? In the Buckland area? TasWater builds dams for water for residential consumption. Isn't that what rates are for? Why do the Glamorgan Spring Bay ratepayers want to build a $70,000,000 dam? At what rate increase? Who is going to use that water? *Robert Young Orford*

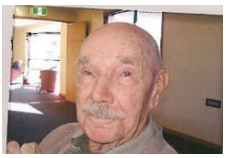
A Tribute to

William Robert "Bob" John Dingle



Bob Dingle was born in 1920, in the agricultural town of Stithian in Cornwall, UK. In 1936 he joined the General Post Office (GPO) and then in October 1939 he enlisted in the Royal Air Force. He volunteered as Air Crew and trained as a Wireless Operator/Air Gunner. He linked up with 3 New Zealanders and another RAFVR man to form the crew of a Wellington Bomber and later the larger Halifax Bombers. Bob had flown 38 successful ops by December 1943 (Berlin 6 times; Hamburg 4).

Bob, as an Acting Flight Sergeant, was awarded the Distinguished Flying Medal (DFM) on 16th November 1943. In December on a mission to Frankfurt with a serious engine malfunction, they were forced to bail out over Germany. After 16 days he was eventually captured by the Gestapo and spent the rest of the war in Stalag IVB/Muhlberg as a Prisoner of War. He was liberated by the Russians and demobbed in 1946.

He came to Australia in 1949. In 1950 Bob completed a training course as a Weather Observer. In 1951, he was stationed on Heard Island as a Weather Observer for Australian National Antarctic Research Expeditions (ANARE).

Bob was part of the first Mawson expedition and was awarded the Polar Medal by Her Majesty the Queen. In 1956 he was stationed on Macquarie Island and in 1957 he was a member of a 5 man team at Davis Wintering Party.

An aerial view of Davis in January 1957

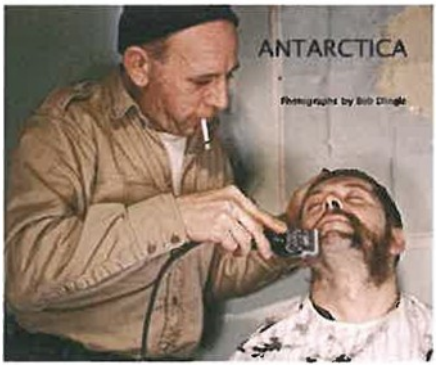
In 1958 Bob was appointed as Officer in Charge of Wilkes Station. In 1959, Bob was granted leave to join the United States Antarctic Research Program (USARP) and

Willis Station

worked with a USARP team in 1961 at Byrd Station. As a Weather Observer he also carried out a series of snow drift observations for UNIMET. The following 18 months were spent at Willis Station (east of Cairns in the Coral Sea).

In 1966, Bob was again seconded to the USARP and spent winter 1967 at Plateau Station - one of the most isolated and coldest places on earth. For most people, one or two winters in the Antarctic were sufficient - Bob spent 7 winters in the region!

From 1968-1972 Bob was Senior Australian Weather Observer on board the US Navy Ship 'Eltanin' cruising the Southern ocean. After serving as Weather Observer on Norfolk Island, Bob retired to Swansea in December 1975, a private man, he spent his life supporting the community.



In 2011 a book of photographs taken by Bob in the 1950's and 1960's in Antarctica was published. Bob spent over 30 years working in and around the Antarctic continent with the Australians and the Americans.

AUSTRALIA DAY AWARDS 2017

The Glamorgan Spring Bay Council invites nominations from the public for the 2017 Australia Day Citizen Award and Young Citizen Award.

These awards are for outstanding contribution and service to the local community.

All residents of the municipal area are eligible but the community service rendered should have been primarily within the municipal area.

To be eligible for the Young Citizen Award the person must be under 27 years of age on 26th January, 2017 and the Citizen of the Year Award is open to persons aged over 27 years on 26th January, 2017.

Nomination forms may be obtained from the Council Office, Triabunna (03) 6256 4777 or on Council's website www.gsbc.tas.gov.au

Nominations close on Friday, 11th November, 2016.

Quotes of the Week

Charm is a way of getting the answer yes without asking a clear question. *Albert Camus (1913 - 1960)*

You know what charm is: a way of getting the answer yes without having asked any clear question. *Albert Camus (1913 - 1960), La Chute (The Fall),1956*

All charming people have something to conceal, usually their total dependence on the appreciation of others. *Cyril Connolly (1903 - 1974), Enemies of Promise (1938)*

Charm is the quality in others that makes us more satisfied with ourselves. *Henri-Frédéric Amiel*

We are born charming, fresh and spontaneous and must be civilized before we are fit to participate in society. *Judith Martin, (Miss Manners)*

Swansea Golf Club News

Golf Report

Saturday 8th October 2016

Morris' Store sponsored a very enjoyable "Skins" competition using the stableford format. Jim organised the event and presented the prizes to the winners. Congratulations to Ricky Wright who had the best score of the day, carding a round of 38 points. Following hot on his heels was Chris Howell, who collected the runner's up prize scoring 37 points, on count back from Fran Dowling, Rod Smith and Louise McKenna who were also rewarded with prizes. Darryl Down, Ray Dart, Alison Smith and Karl Wadley also featured in the prize list.

Nearest to the pin winners were Ricky Wright and Pat Hardcastle.

Celebrate the Life of Bonnie Lewis

06.03.1925—1.9.2016

Bonnie Lewis lived in Swansea for over 65 years. She touched the lives of many during her time here. Her friendship and kindness will not be forgotten.

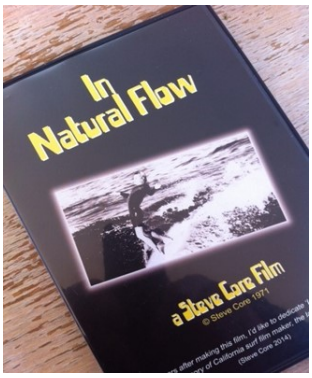
Sadly she passed away on the first day of Spring.

Please feel welcome to come and celebrate the life of Bonnie Lewis at Swansea Golf Club on Wednesday 12th October from 1 pm till 4 pm.

Kim and Gary Lewis. Swansea 0403125 180

Classic Surfboards Exhibition at Bicheno Food and Wine Festival

Saturday 19th November 2016
10.30 am – 5 pm



We are all about supporting and cultivating the very things that make Bicheno and the East Coast a unique destination in the Australian landscape".

The inclusion of a Classic Surfboard Exhibition started out as a spark of an idea 5 years ago and has fast become an iconic inclusion in the Festival programme. Once again the tennis court will be transformed into "surfboard central" and a celebration of our coastal lifestyle.

Exhibition Curators Ronnie McCulloch and Phil Critchlow are promising a very special line up for this year's Festival's Tenth anniversary. All are welcome to bring a special board or three and some stories to share.

Throughout the day, legend surf film maker, Steve Core, will be showing his two classic 70's surf movies ('In Natural Flow' and 'Ocean's Rhythms') in a pop-up outdoor cinema on the court amongst the boards.

See you centre court!

Behind the scenes

Tasmanian Seafarers' Memorial

Annual Service

16th October 2016

The 20th annual service will be held on Sunday, October 16, 2016 at the Tasmanian Seafarers' Memorial, Triabunna in remembrance of all seafarers lost in Tasmanian waters or Tasmanians lost at sea anywhere in the world.

There are now 115 plaques installed on the wall of the Memorial, recording the loss of 1450 souls – men, women and children – from the state's earliest days of explorers, sealers, whalers, convicts and settlers, to more recent commercial and recreational fishers, yachtsmen and other merchant and maritime travellers. The plaques also record the extraordinary service given by Tasmanians who made the supreme sacrifice during our nation's hours of need and during their peacetime service.

Plaques added during the past year pay tribute to those who ventured into the unpredictable and unforgiving Tasmanian seas, including Hobart boat builder Henry Grubb and his 13 year old son who drowned off Blackman's Bay Point in 1894.

Other plaques commemorate the loss of 19 year old Augustine Fitzgerald who fell from the mast head of the whaler 'Offley' in 1861, the American barquentine 'C. C. Funk' wrecked on Beagle Spit, Flinders Island in 1898 with the loss of 10 lives, and the 'Enchantress', tragically wrecked off Bruny Island in 1835 with the loss of 17 souls.

The latter tragedy led to a renewed call for a light house to be established in the D'Entrecastreaux Channel and the stationing of pilots in dangerous parts of the coast.

The organising Committee is indebted to Mr. Alastair Douglas OAM who has developed a website for the Tasmanian Seafarers' Memorial – http://seafarersmemorial.org.au

The annual memorial service to be held on Sunday 16th October will bring together members of the maritime and naval communities and representatives of the emergency services.

The service on the foreshore at Triabunna begins at 11.00 am and is followed by the traditional Blessing of the Fleet.

EON EXPO

An Earth Ocean Network Initiative

Celebrating our Beautiful and Diverse Natural Environment

FREE ENTRY
10–5pm
Saturday & Sunday
November 5–6th
Bicheno Hall

What happens if I don't rinse my recycling?

Our Oceans and Rivers are pretty clean – aren't they?

Given the rapid changes to the East Coast with respect to climate change, will this region need more targeted fisheries management strategies?

Any good ideas on recycling plastic!

How will science help communities in a practical sense prepare for climate change?

What is the impact of polluted waters?

Does the GSBC council think a container deposit scheme is viable for our municipality?

How will recreational fishing on the east coast be affected by observed climate changes?

What happens to our Recycling?

Why are there suddenly so many algae blooms in Tasmania?

How can I use less plastic?

earthoceannetwork@gmail.com
