## G\_SPRING BAY DOING WELL WITH VACCINE JABS

Finally Covid vaccination data for Glamorgan Spring Bay municipal area. This is an extract that takes in the two main postcodes which overlap GSB, unfortunately the Govt are unable to be more accurate as the commonwealth data does not take in our LGA on its own.

However this looks very positive, in fact Glamorgan Spring Bay is the highest level vaccination rate (second dose) in the State along with Hobart! Glamorgan Spring Bay may have been dragged down in first and second doses by Break O Day who overlap our 7215 post code. Break O Day are at 54% second dose.

As at yesterday seven Tasmanian Councils were below 50% double dosed.

Well done community, medical practitioners and in particular Council staff for their early initiative in getting the Triabunna State Gov clinic set up.

Regards

Greg Ingham General Manager

## GOBCNews ANNUAL GIVING FINALIZED

The Great Oyster Bay Community News has finalized the distribution of profits from its advertising revenues for the 2021 season.

This year's grant applicants although small in number due to COVID was still varied and well deserving. The Annual Giving Grants will hopefully assist the recipients in their endeavours to assist the community of Glamorgan-Spring Bay.

Next years Grant applications should commence in June 2022, and are open to community based organizations of the Glamorgan-Spring Bay municipality.

If you are such and organisation please consider applying. A few conditions apply. See our website for details.

Rob Gaspari (Secretary SOAC)

## SWANSEA MARKETS ARE BACK

After a false start to the year, due to a slight delay in the completion of renovations to the Swansea Town Hall all was go for October.

The hall had its usual sellers with the Veggie stall back and doing a good trade with the locals. Other stalls included bric-a-brac, wooden products, cakes & jams and other fare.

An overall good start to the market selling season.

Get out and about and check out your local community markets and find that thing that fills that hole on the shelf. Find a bargain or start looking for something different to give to a friend for Xmas.

Not long, only 11 weeks to go.

Rob Gaspari

## Ho! Ho! Ho! Santa here.

Just a little note to let you all know what is happening at the North Pole this time of year.

The elves are busy preparing the sleigh, Mrs Claus is in charge of getting the reindeer to their peak fitness level ready for the big trip & I am sleeping & resting up getting ready for the Swansea Xmas Parade.

So everyone keep working hard to make this year's parade the best ever!

Best wishes Santa.

## LETTERS TO THE EDITORIAL TEAM

### PROPOSED CYCLE/ PEDESTRIAN BRIDGE, MEREDITH RIVER

Last week I spoke with the mayor Cr. Young about this project and the council being the platform from which to submit a funding grant application. He gave in-principle support, but quite rightly awaits further details (something we hope we will be in a position to provide over the next two months). The benefits of the project were clearly outlined in last week's newsletter by Mr. Barry Smith. Thanks to readers for their support and feedback thus far.

The three councillors supposedly representing the Swansea community remain silent on the issue.

### THE FIRST SPRING INTO SPRING 2021 CONCERT

at Kennedia on October 3<sup>rd</sup> was a sell-out. We welcomed Rebeka Hren Dragolic, a wonderful flautist and mezzo

soprano, accompanying familiar musical friends Jennifer Marten-Smith and William Newbery in a delightful performance. After Rebeka's delectable encore of a Slovenian folk song we have invited her to return with her folk group to entertain us (after she has completed recording a CD!) Watch this space!

We also were pleased to welcome some first-time audience members and also some new ECCAI members.

We are presenting the second concert in the series at the Courthouse on Sunday October 17<sup>th</sup> at 2.30pm where we will be using the portable stages purchased to improve the audience's view of the performers

The Chrysantha Quartet, who performed for us back in May are returning by popular demand with a programme that includes Mozart's Quartet No. 17 in B flat major, "The Hunt" and Tchaikovsky Quartet No 1 Op. 11 in D major

The Quartet consists of past and present members of the Tasmanian Symphony Orchestra so we can be assured of an afternoon of excellent music making. Booking details are available in the advertisement in this issue.

# What is Dry Eye?

Dry eye occurs when the tear film that coats our eyes is insufficient to keep them lubricated. Some symptoms of dry can include stinging or burning, itchiness in the corner of the eye, occasional blurred vision, redness, tired eyes, crust around the eyes upon waking or a feeling of grittiness or sensation that something is in the eye.

## Did you know there are different types of dry eye?

Aqueous Deficient Dry Eye	Evaporative Dry Eye
Caused from reduced tear production	Excessive tear evaporation
Symptoms worsen throughout the day	Symptoms worse in the morning upon waking
Causes excessive blinking	Causes reduced blinking

## Did you know?

85% of dry eye sufferers have evaporative dry eye or a combination of both evaporative and aqueous dry eye. However, solutions available for dry eye are dominated by products that only benefit aqueous dry eye patients.

### NOVATEARS

For the relief of evaporative dry eye

Spreads easily and quickly on the eye

Pleasant, warm, silky feeling with no stinging or blurring

Speak to your Pharmacist to see which NOVATEARS product is right for you.

## 3-step preservative-free eye care regime

Preservatives may cause damage and irritation to the eye surface with daily use and worsen dry eye symptoms. Experts recommend a 3-step regime to manage dry eye.

### Step 1: Apply Heat

Opti-Soothe Moist Heat Mask

Reusable mask for soothing and effective symptomatic relief of Dry Eye.

### Step 2: Cleanse

Opti-Soothe Preservative-Free Eyelid Wipes

Unique, gentle formulation infused with Tea Tree Oil, Hyaluronic Acid, Chamomile, and Aloe Vera ideal for daily, gentle cleansing and assists in the removal of debris from the eyelid.

### Step 3: Hydrate and Protect

**Do you experience worsening symptoms throughout the day?** You may have aqueous deficient dry eye.

Hydrate with HYLO FRESH or HYLO FORTE.

**Do you have crusty, dry, irritated eyes upon waking?** You may have evaporative dry eye.

## WHAT'S SO FUNNY?

A husband and wife were driving through Tasmania. As they approached Triabunna, they started arguing about the pronunciation of the town. They argued back and forth, then they stopped for lunch. At the counter, the husband asked the blonde waitress, "Before we order, could you please settle an argument for us? Would you please pronounce where we are very slowly?" She leaned over the counter and said, "Burr-gerrr Kiiing."

I couldn't figure out why the baseball kept getting larger. Then it hit me.

An ardent golfer dies and finds himself at the pearly gates. St. Peter tells the man he has lived an exemplary life and that he can go right in. The man asks, "St. Peter, where is the golf course?" "I'm terribly sorry," replies St. Peter, "but that's one thing we don't have here."

The man turns and decides that he will see if the situation is any better in hell. On the road to hell, he is greeted by the devil who has already heard of the golfer's rejection of heaven.

"This way, sir," says the devil, "the finest tournament-quality 18 holes you are likely to find this side of Augusta, Georgia."

The golfer looks around and agrees that it is the finest course he has ever seen and decides he'd rather spend eternity there than in heaven, so he signs up for the full package. "So," he says to the devil, "why don't you go get me some clubs and balls and I'll have the game of my after-life."

"I'm sorry, sir, we don't have any."

"What?" says the man. "No balls or clubs for a fine course like this?"

"No, sir," says the devil fiendishly, "that's the hell of it."
