## TRAFFIC DISRUPTION SATURDAY 16<sup>TH</sup> DEC.

On Saturday 16th December 2023, the Swansea Community Christmas Parade will take place in Swansea.

This event will commence at 2:45pm and conclude by 3.45pm.

In accordance to Section 56A of the Vehicle and Traffic Act 1999, Tasmania Police advise of the temporary closing of the following streets, between 2.00pm and 4.00pm to facilitate this event:

**FRANKLIN STREET FROM MARIA STREET TO VICTORIA STREET

WELLINGTON STREET FROM FRANKLIN STREET TO WATERLOO STREET**

Traffic travelling on Tasman Highway will be diverted at the intersection of River Street (Northbound) and Maria Street (Southbound). During the road closures access will only be granted to **local residents** and **Emergency Services Vehicles**.

Vehicular and pedestrian traffic wanting to travel on or cross the route will be affected. The road closures will occur only when participants are on or approaching that section of roadway. SES and Traffic controllers will be in attendance to manage traffic and will stop or direct traffic away from the event route.

Any queries should be directed to Kelvin Jones (SES) on 0418 376 129

## MAYOR VISITS LONG TAN CROSS MEMORIAL

THE RETURNED & SERVICES LEAGUE OF AUSTRALIA LTD

(SWANSEA RSL SUB BRANCH Inc.)

The Price of Liberty is Eternal Vigilance

On 24<sup>th</sup> November Mayor Cheryl Arnol visited the Heritage Centre to view the Long Tan Cross replica which had been unveiled on Remembrance Day. The Mayor had been integral to ensuring the project came to fruition, providing her full support. Members of the Men's Shed, Swansea RSL and the Heritage Centre joined the Mayor for afternoon tea and to say thank you for her commitment.

Much of the leg work for delivery of this most important project was completed by Noel Stanley. Many hours were spent by Noel coordinating and working with all those who needed to sign off on allowing the Cross to be placed in the ground at the rose garden. Thanks also to the many community members and organizations who donated time, equipment and materials.

## MORE FUNDING FOR SAFER TASMANIAN ROADS

The Rockliff Liberal Government is working hard to deliver on its long-term plan and do what matters for all Tasmanians by improving road safety around our great State through a range of initiatives.

We are continuing our investment in safer roads with another \$4.7 million now available to make our local roads safer through the Vulnerable Road User Program (VRUP) and Safer Rural Roads Program (SRRP).

Councils have until 23 February 2024 to submit their applications to share in the funds.

Minister for Infrastructure and Transport, Michael Ferguson, said that together the two programs had helped deliver more than \$35 million worth of upgrades across more than 250 different projects around the State.

“Our previous round of funding for the programs saw more than \$4.6 million spread across 33 projects, taking the total funding provided by the Tasmanian Liberal Government, over the life of the programs, to \$16 million,” Mr Ferguson said.

“We know that more than half of all fatal and serious injuries occur on local roads and that these roads make up around 80 per cent of the Tasmanian public road network.

“These programs are designed so that local knowledge and perspectives decide what action needs to be taken and where with local government telling us where priority areas are.

“Since 2013-14 the Vulnerable Road User Program has been improving road safety in urban areas with more than 170 projects delivering almost \$21 million in improvements like pedestrian crossings, footpaths, shared paths and bicycle lanes.

“Beginning in 2020, the Safer Rural Roads Program has funded 77 projects worth almost \$15 million for widespread, low-cost upgrades such as signage, line-marking and barriers to help reduce the risk of head-on and run-off-road crashes.”

“I encourage anyone with concerns about a particular danger spot or a good idea to make a particular area safer to contact their local council,” Mr Ferguson said.

Vulnerable Road User and Safer Rural Roads programs are key initiatives under the Towards Zero Action Plan 2020-24 to improve the safety of all road users.
